5. **Where are you currently working?** I am currently self-employed and doing commissioned work. Since graduating from Revere Academy in December, I have been on the hunt for an apprenticeship in the Atlanta area.
6. **What types of jobs & where have you worked in the past?** In order to gain experience on the sales/business side of things, I worked at Nordstrom in Phipps Plaza on the Jewelry and Watches sales floor. It was a great opportunity for me to meet designers and their reps and learn more about what it’s like for them to sell their jewelry in a large retail store.
7. **What is your favorite type of work?** I like being able to tell when a piece is handmade. There is nothing more appealing to me than someone telling a material such as metal what to do; not with a machine but with his or her own hands.
8. **Where &/or how are you inspired?** I look for inspiration everywhere I go. I find a lot of my inspiration in other people. Actions and reactions. I also look for new textures; thinking of how I may replicate them in metal.
9. **Most memorable moment/experience with the BFSDoArt?** My most memorable experience with BFSDoArt was my BFA Exhibition. I grew a lot in that semester before my show and I am most thankful for that time my Professors and peers.
10. **If there was one thing you wish you knew before you graduated, what would it be?** It’s not going to be easy but it’s going to be worth it.
11. **Where would you like to see yourself, career-wise, in 10 years?** Ten years from now, I see myself as a successful, independent Jewelry Artist & married to my BFSDoArt sweetheart.
12. **Involvement with any professional organizations.** Society of North American Goldsmiths (SNAG); American Craft Council (ACC)
