A newsletter for Armstrong Atlantic State University faculty & staff

Linda M. Bleicken Inaugurated

The inauguration of Linda M. Bleicken as Armstrong's seventh president on September 17 attracted academic dignitaries from across the region including University System of Georgia Chancellor Erroll B. Davis, Jr. (top left) who officiated during the installation ceremony. The timing of the event carried a special significance for the university community, as it marked, to the day, the 75th anniversary of the start of classes in the historic Armstrong House in 1935.

Making a surprise appearance after altering his travel plans was Savannah Mayor and Armstrong alumnus Otis Johnson (second from top) who took the podium to congratulate Bleicken.

"It is indeed an honor for me to be here to say how proud I am to have gotten to know the president of this great institution," said Johnson.

Other speakers included Felton Jenkins, vice chair of the Board of Regents of the University System of Georgia; John C. Helmken II, chair of the Armstrong Foundation; Renee H. Connolly, president of the Alumni Association; Robert LeFavi, president of the faculty senate; Corine Ackerson-Jones, chair of the Staff Advisory Council; and Zerik K. Samples, president of the Student Government Association.

75th Notable Alumni

The Armstrong Alumni Association hosted 150 alumni honorees and guests during a 75th Notable Alumni reception in the Student Union on September 16 (pictured at bottom). The reception attracted alumni from across the country for a night of sharing memories, reconnecting and enjoying a good time.

OCTOBER 2010

Treasure Savannah

More than 400 students, faculty and staff volunteers fanned out across the city for the Treasure Savannah Day of Service on the morning of Saturday, September 18. The volunteers provided service at various nonprofit organizations across the city, including the American Cancer Society, Union Mission, the West Broad Street YMCA and America's Second Harvest. Some volunteers spent the morning on campus, cleaning up the grounds and helping to restore bike racks. Pirate Athletics hosted a free basketball clinic for school children. Chris Nowicki (student affairs) and Jason Tatlock (history) coordinated the event.

Pirates on the Run

The 5K Armstrong Pirates on the Run/Walk hosted on September 25 as part of the 75th anniversary festivities attracted more than 300 participants and raised more than \$10,000 for scholarships that will benefit students of merit. The run started and finished at the north end of Forsyth Park, near the Armstrong House. Following the race, Leopold's Ice Cream unveiled a new sweet treat, Pirates' Treasure, in honor of Armstrong's anniversary. The new flavor will continue to be offered during the foreseeable future.

Howells publishes textbook

Beth Howells, associate professor of English and director of the writing program, is the author of a new textbook, *Literature: Reading to Write*, published by Longman, an imprint of Pearson. The 608-page volume features an array of classic and contemporary voices as well as a section devoted to newer genres such as graphic novels.

Designed for use in the second semester of first-year college composition courses, the book utilizes an interactive approach to help students become thoughtful readers and adept academic writers. Howells tested the textbook outline and proposed course with students over the past 10 or so years. Four of her former students contributed writing samples to the textbook, while two other former students served as research assistants. More information on the book is available on the [publisher's website](#) and at [Amazon.com](#).
