Alternative May Break Applications are Open!

Want to kick off your summer break with a meaningful and unforgettable week? Join us for a May Alternative Break! What is an Alternative Break (AB)? At the core, breakers join a team of 10-12 students and travel away from campus with the goal of engaging within a new community through education, service, and reflection. Our program operates with an “issue first” focus, meaning we keep our site locations quiet until Site Reveal each break cycle.

Prices range from $150.00-$350.00 and the cost is all-inclusive (food, housing, and transportation). The opportunity to apply for need-based scholarship funding is available to all students.

The application will remain open until Friday, March 15th — just before you will leave for Spring Break!
Check out the blurbs on our website to learn more about our May Break community partners & social issues and to apply.
