April 30, 2012

The College of Education was well represented at the annual meeting of the American Educational Research Association (AERA), held in April in Vancouver, BC, with 13 faculty and 4 graduate students presenting scholarly work. AERA, founded in 1916, is a national research society which advances knowledge about education, encourages scholarly inquiry related to education, and promotes the use of research to improve education and serve the public good. Following is a list of papers presented:

Faculty:

Chris Brkich

- Critical Civics and Citizenship Education

Katie Brkich

- Advancing Teachers Through Research
- Communication and Communities
- Making Connections Between School Earth Science and Lived Experiences: An Investigation of Urban Fifth Graders
