DIRECTIONS

- From I-16, take exit 116 and turn onto US 301 North/US 25 North.
- Drive 9.2 miles to the 301 Bypass intersection (with the Parker's gas station to your left) and turn **right** onto the 301 Bypass.
- At the second traffic signal, turn **left** (onto Lanier Drive).
- At the next traffic signal (next to the stadium), turn **left** (onto Chandler Road).
- At the next traffic signal (Plant Drive/Chandler Road intersection), turn **left** onto Plant Drive.
- Take the second **right** onto Connector Road.
- Turn **right** onto Forest Drive and continue toward Centennial Place.
- Parallel park your vehicle in the right lane in a spot designated by university staff directing traffic.

To make your arrival easier we ask that you...

- Use tape and marker to label your belongings with your room number. This will assist the move-in volunteers with knowing where to deliver your items.
- Only unload items at a location designated by a platform on the grass. Unloading at an earlier spot puts you farther away and increases the likelihood of exhaustion for you and our volunteers.
- Come prepared to move in your own belongings. We have Honors students who volunteer to assist you; however, we cannot guarantee that volunteers will move all of your items.
- Move your vehicle to the Centennial Place parking lot (marked with a ⚙️) on Chandler Road as soon as possible when you are finished unloading.
