Eagles Baseball to Host Evening with the All-Stars

Only two weeks remain until the Dugout Club's coveted event!

This year, the biennial event will highlight guest speaker and former New York Yankee, Bobby Richardson! Taking place on Friday, February 7, 2020, the Evening with the All-Stars will also feature a silent and live auction, cocktail hour, dinner, a special presentation honoring Baseball's Wall of Fame inductees, and a raffle drawing to win a custom golf cart!

Table packages, as well as adult and youth tickets, are available. Proceeds from the event support the Georgia Southern baseball program on and off the field as they continue to compete at the highest level and build a team of leaders that will positively impact our communities and beyond.
