May 10, 2021

[School of Nursing](#) Associate Professor, Debra Hagerty, DNP, has recently advanced to Fellow in the American College of Health Care Administrators (ACHCA).

The Fellow distinction is the highest membership status one can gain in recognition of professional achievement and continuous adherence to the ethical and professional standards of ACHCA. In addition, the nationally recognized Fellow status confirms an individual's dedication to the post-acute and aging services community.

To be honored with this professional credential, an individual has to demonstrate a record of participation in professional continuing education, suitable formal education, community service and at least two years of voting membership.
