## Need to Create or Practice a Presentation?

August 31, 2009

Space is available in the library for you to create and practice your class presentation. There are close to 300 computers throughout the library with the majority housed in the Learning Commons on the 2nd floor. If you have your own laptop, feel free to connect wirelessly and work on your presentation. Once you're finished creating your presentation you may practice by reserving the Presentation Practice Room (2 hrs maximum) located on the 1st floor. More information about the Presentation Practice Room, its usage policies, and how to reserve it are available online – <https://library.georgiasouthern.edu/rooms.html>.
