Congratulations to Dr. Chad Posick of Georgia Southern University and Dr. Michael Rocque of Bates College for successfully publishing their co-authored book, “Great Debates in Criminology” !!!!

“This book explores the role of theory and research in criminology. Adopting a unique and refreshing approach to criminological theory, it focuses on the great debates in criminology from its inception as a field to the present day. It explores the debates that have motivated criminological thought, that have represented turning points in theoretical and empirical trajectories, that have offered mini-paradigm shifts, and that have moved the field forward.”
