FROM: Brooks A. Keel, Ph.D., President
DATE: November 29, 2012
SUBJECT: November 27, 2012, Faculty Senate Recommendation:
Administrators Serving on Faculty Senate and on Senate Committees

Following review of the recommendation adopted by the Faculty Senate at the November 27, 2012,
Faculty Senate meeting, as provided in your memo of November 28, 2012, I have approved the motion
presented to the Senate by Dr. Jill Lockwood.

Motion:

The senate respectfully asks that all faculty who are serving in full-time twelve months
administrative positions (whether permanent or interim) decline to serve as voting members of
the faculty senate or of senate committees; the senate also respectfully asks that all faculty who
serve as voting members of the faculty senate and of senate committee and are subsequently
appointed to full-time administrative positions (whether permanent or interim) resign as voting
members from their senate seat and from all senate committees on which they are serving.

Rationale:

The Board of Regents defines "faculty" in the broadest terms which includes administrators.
Faculty who receive interim administrative appointments retain faculty contracts. Traditionally
faculty who accept administrative appointments resign from the senate and from senate
committees as voting members. To uphold this tradition and maintain representatively, I would
like the Senate to codify this tradition.
