Faculty Senate Bill: Payment Schedule for Part-Time Faculty

Part-Time Faculty do not receive a paycheck until the end of the second month of the semester. This situation makes it extremely difficult to make ends meet when they do not receive a paycheck for eight weeks. We request the President to allow for a change in the payment schedule for Part-Time faculty, so they are paid at the end of the first month of the semester.

FSR-2014-03-24-07 Payment Schedule for Part Time Faculty

The language of the bill requests the President “to *allow for* a change in the payment schedule for part-time faculty.” If this is taken to mean that the President would allow such a change to occur if it were feasible and supported by the offices responsible, i.e. Payroll, Human Resources, Academic Affairs, then this bill may be approved. If the bill’s intent is that by approving the President would be directing that this change occur, then the bill is not approved. The implications of such a change need to be thoroughly explored and evaluated.
