Great meeting you!

Hello!

On behalf of everyone at the Betty Foy Sanders Department of Art (BFSDoArt), I'd like to thank you for taking time to speak with us during Georgia Southern's Open House on Saturday, April 6 – it was a pleasure meeting you! *(Let us know how we did!)*

We are committed to offering quality undergraduate and graduate degree programs that prepare students to become professional artists, designers, art historians & industry executives.

As an accredited member of the **National Association of Schools of Art and Design (NASAD)**, we offer a comprehensive curriculum encompassing the practical, theoretical and historical aspects of the visual arts.

What does our NASAD accreditation mean for you? To be accredited, we must adhere to guidelines set by NASAD. That means we provide smaller class sizes, offer professional-grade equipment and our curriculum is top-notch - amongst other things.

We have a remarkable history at Georgia Southern University and take great pride in the accomplishments of our alumni and in the promise of our current students. Perhaps even more so, we cherish the active, collaborative community both faculty and students create daily throughout the department as we pursue our professions with enthusiasm.

**Degrees Offered**

- Bachelor of Arts (BA):
  - **Art History & Studio Art** (Photography & 4D Studios)
- Bachelor of Fine Arts (BFA):
  - **2D, 3D & Graphic Design**
- Bachelor of Science (BS):
  - **Graphic Communications Management**
- Master of Fine Arts (MFA):
  - **2D, 3D & Graphic Design**
Stay tuned. In the coming months, we will be rolling out a shiny new website equipped with FAQs, visiting artist and gallery archives, course materials, new student work and more. Feel free to contact me should you have any questions regarding the BFSDoArt: art@georgiasouthern.edu.

Creatively Yours,
Stephanie Neal
