Faculty Senate Bill: Creation of the Student Research and Scholarship Council

Each year, the Associate Provost for Student Engagement and Success and the coordinators of undergraduate research from the College of Science and Technology and the College of Liberal Arts will call for faculty volunteers from all four colleges to serve on the Student Research and Scholarship Council which will be responsible for running the Student Scholars Symposium and distributing undergraduate research grants to students. If possible, the committee shall be comprised of an equal number of faculty members from each college. Student members from SGA and GSCC will also be encouraged to join. The Associate Provost for Student Engagement and Success will serve as an ex-officio, non-voting member of the committee.

FSR-2014-03-24-04 Student Research and Scholarship Council

I support the creation of the Student Research and Scholarship Council. This group, with support from the Associate Provost for Student Engagement and Success, will assume some of the responsibilities previously held by the Senate Research and Scholarship Committee.

Linda M. Bleicken
