Schmuki's work included in 'Creating Citizens'

June 9, 2016

Jeff Schmuki, Assistant Professor of Art has been included on the cover and in the text of *Creating Citizens: Liberal Arts, Civic Engagement, and the Land-Grant Tradition*, edited by Brigitta R. Brunner. The text is now available through the University of Alabama Press.

Jeff Schmuki's work is referenced in Chapter 7, Culturing Connection, Growing Community: The Art in Agriculture Initiative by Christopher McNulty and Barb Bondy. The authors recount the first year of the Art in Agriculture Initiative, a multi-disciplinary collaboration at Auburn University between the Department of Art in the College of Liberal Arts and the College of Agriculture. The initiative explored the intersections of art, culture, ecology, and the environment through a series of themed exhibitions.
