Professor Facilitates Collaboration with University in Austria

July 28, 2022

Dr. Aniruddha Mitra, Professor, recently visited Graz Institute of Technology in Austria. Dr. Mitra met with the University's International Affairs Coordinator to discuss future collaboration efforts, including a student exchange program. In fact, two of TU Graz's students will be taking engineering courses at Georgia Southern this Fall semester.

Dr. Mitra presents an overview of Georgia Southern's Mechanical Engineering program.

Graduate Students Wins Award at ASME Conference

July 28, 2022

Matthew DeMond, a graduate student in the Master of Science in Mechanical Engineering program, was awarded 2nd Place in the Student Paper Competition at ASME's 2022 Power Conference and Nuclear Forum. Matthew received a \$1,000 cash prize and an award certificate. Matthew researched novel sealing technologies for application in supercritical carbon dioxide power generation under the supervision of Dr. Sevki Cesmeci, Assistant Professor. After graduation, Matthew intends to pursue a career in the aerospace industry. In fact, Matthew is currently interning with the Boeing Company in South Carolina.
