Georgia Southern has a new
electric vehicle charging station

Georgia Southern wrapped up the celebration of No Impact Week with the unveiling of the University's first electric vehicle (EV) charging station located at the Office of Parking and Transportation. The dual–head EV charging station will provide students, faculty, staff and the general public with an accessible charging station, free of charge, that provides a complete charge of two electric vehicles in less than four hours.

**Join the Faculty and Staff Google+ Community**

GSInfo Community is a voluntary, private network designed to foster a friendly online workplace environment, encourage camaraderie and facilitate cross-organizational relationships.
Produced by the Office of Marketing & Communications, MyNews is an internal faculty and staff email publication which correlates with campus news on GeorgiaSouthern.edu/MyNews. Published on Mondays, MyNews is designed to communicate campus news and announcements plus faculty, staff and student recognition stories.

If you have a story idea or would like to request news to be featured, email marketing@georgiasouthern.edu. The deadline to request MyNews articles is Thursdays at Noon.
