Graduate Student to work with Boeing on NASA's SLS Rocket.

November 15, 2022

Matthew DeMond, a recent graduate of the Master of Science in Mechanical Engineering (MSME) program, accepted a position with Boeing as a Manufacturing Engineer. As part of the production engineering team, Matthew will work on the core stage of NASA's Space Launch System (SLS) rocket at the NASA Michoud Assembly Facility in New Orleans, LA. Matthew's graduate thesis research, conducted under the supervision of Dr. Sevki Cesmecci, focused on novel sealing technologies for application in supercritical carbon dioxide power generation.
