Need a new set of wheels? Don't have a lot of money? Uncle Sam can help you out! Get Cash for Clunkers!This program is still going on. Check out details: http://www.cars.gov/

The CAR Allowance Rebate System (CARS) is a $1 billion government program that helps consumers buy or lease a more environmentally-friendly vehicle from a participating dealer when they trade in a less fuel-efficient car or truck. The program is designed to energize the economy; boost auto sales and put safer, cleaner and more fuel-efficient vehicles on the nation's roadways.

Consumers will be able to take advantage of this program and receive a $3,500 or $4,500 discount from the car dealer when they trade in their old vehicle and purchase or lease a new one. Consumers you do not need to register anywhere or at anytime for this program. See the web page for more info.
