HSPM 7135-A: Public Health Policy Development & Evaluation

Fall 2016

Instructor: Jeff Jones, PhD.
Office: Hendricks Hall, Room 2005
Phone: (912) 478-7422
E-mail Address: jajones@georgiasouthern.edu
Office Hours: Tuesdays, 1:30pm-3:30pm & Thursdays, 1:30pm-3:30pm
Also by appointment at other times

Class Meets: Tuesdays and Thursdays, 3:30pm – 4:45pm, August 16, 2016 – December 16, 2016, in Hendricks Building Room #1008

Course Catalog available at:
http://students.georgiasouthern.edu/registrar/pdf/catalogs/GraduateCatalog/index.htm
under Jiann-Ping Hsu College of Public Health Programs

Prerequisites: N/A

FOLIO address: http://my.georgiasouthern.edu

Course Description: This course introduces students to health policy development, analysis and management by examining issues in the health sector. It fosters an appreciation of the complexity of policy problems and provides the basic tools used in public health policy design, implementation and evaluation.

Required Textbooks: None. Supplemental Readings are supplied by the instructor via Folio.

MPH Core Student Learning Outcomes (CORE)

1. Demonstrate proficiency and effectiveness in the communication of core public health principles and practices, both oral and written.
2. Demonstrate proficiency in the integration of the core public health disciplines (Biostatistics, Epidemiology, Environmental Health, Health Policy/Management, and Social/Behavioral Science) in practice and research.
3. Demonstrate proficiency in problem solving, critical thinking, and public health leadership.

MPH – Health Policy and Management

4. Define the main components and issues of the organization, financing and delivery of public health systems in the US and compare the economic, professional, social and legislative influences to include safety and preparedness.
5. Describe the legal, values and ethical dilemmas in public health that are inherent in efforts to control cost, while assuring access and quality of services for the public.

6. Compare the policy development, assessment, and evaluation process for improving the health status of populations; compare the potential impacts of policy and management on the conduct of public health research and practice.

7. Describe the principals of program development, management, budget preparation with justification and evaluation as related for public health initiatives; in that effort, define quality, cost benefit and performance improvement concept to address organizational performance issues in public health as well as trends in planning, resources allocation, and financing their effects on consumers, providers and payers in public health.

8. Define principles of strategic planning and marketing in public health and define how “systems thinking” can contribute to solving public health organizational problems.

9. Compare leadership skills for building partnerships in public health and demonstrate health policy and management effectiveness using appropriate channels and technologies.

**Course Objectives.** Upon completion of this course students should be able to:

1. Explain the federal, state, and local health policy development, implementation, and evaluation process (4, 6).
2. Explain the development of public health policy (4, 5, and 6).
3. Apply skills for the development and evaluation of public health policy (1, 3, 4, 5, 6, and 9).
4. Analyze a health policy topic from the perspective of efficiency, equity, fiscal effects, and political feasibility (5, 6).
5. Write effective policy memos and policy analysis reports for clients on current public health policy issues with a particular focus on rural health (1, 3, 4, 5, 6, 8, and 9).
6. Demonstrate a policy development process, including problem definition, identification and analysis of alternatives, selection of policy alternative, and effective communication of results (1, 2, 3, 4, 5, 6, 8, and 9).
7. Explain common research evaluation designs (2, 6).
8. Apply theories mostly from microeconomics to evaluate health policies and programs (7).
9. Apply cost-outcome analysis methods to evaluate health policy and programs (7).
10. Apply various statistical (quantitative) tools to evaluate health policies and programs (2).

**COURSE OVERVIEW**

**Instructional Methods:** This course focuses on providing practical skills and knowledge to understand the processes of policymaking and policy evaluation. Instructional methods include lectures, readings, and assignments aimed at developing policy evaluation skills and experience.

**Homework Assignments:** This course includes 10 homework assignments involving different aspects of policy evaluation. All homework assignments are to be submitted via Folio and must
include the student’s name and proper citations. Assignments are graded on how well the student meets the requirements of the assignment, creativity, and quality of writing (grammar, spelling, etc.).

**Presentation:** At the end of the term each student will present an evaluation of a health policy. This presentation will include a PowerPoint presentation and offer high quality suitable for presentation before Congress, a state legislature, or hospital board.

**Midterm exam:** The midterm in-class exam will consist of both objective and essay questions from the readings and the lectures.

**Final Exam:** The final in-class exam will be composed of both objective and essay questions from the readings and the lectures from the entire class, focusing mainly on the material that was not covered in the midterm.

**Class Attendance and Participation Policy**

Federal regulations require attendance be verified prior to distribution of financial aid allotments. Regular attendance is expected. However, attendance will not officially be recorded after the first class period. Grades correlate highly with attendance.

**Make-Up Policy:** Late assignments will not be accepted. If you are aware ahead of time that you will be missing a class when an assignment is due, it is your responsibility to notify the professor and turn in the assignment on time. Electronic submission is acceptable. Extenuating circumstances will be considered on a case-by-case basis.

**Student Assessment:** Assessments are linked to the learning objectives for this class. Each assessment below is linked to the learning objectives on pages 1 and 2 of this syllabus.

**Academic Misconduct**
As a student registered at this University, it is expected that you will adhere to only the strictest standards of conduct. It is recommended that you review the latest edition of the Student Conduct Code book, as well as the latest Undergraduate & Graduate Catalog to familiarize yourself with the University’s policies in this regard. Your continued enrollment in this course is an implied contract between you and the instructor on this issue; from this point forward, it is assumed that you will conduct yourself appropriately.

**Plagiarism:**

"According to the Academic Dishonesty Policy of GSU, Plagiarism includes (but is not limited to):

A. Directly quoting the words of others without using quotation marks or indented format to identify them.

B. Using published or unpublished sources of information without identifying them.

C. Paraphrasing material or ideas without identifying the source.

D. Unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic material.

If you are accused of plagiarism by a JPHCOPH member, the following policy, as per the Judicial Affairs website (http://students.georgiasouthern.edu/judicial/faculty.htm) will be enforced:

**PROCEDURES FOR ADJUDICATING ACADEMIC DISHONESTY CASES**

**First Offense - In Violation Plea**

1. If the professor and the Dean of Students agree that the evidence is sufficient to warrant a charge of academic dishonesty, the professor should contact the Office of Judicial Affairs to determine if this is a first violation of academic dishonesty. The incident will be reported via the following website: http://students.georgiasouthern.edu/judicial/faculty.htm

2. If it is a first violation, the professor should talk with the student about the violation. If the student accepts responsibility in writing and the professor decides to adjudicate the case, the following procedures will be followed:

   a. The student will be placed on disciplinary probation for a minimum of one semester by the Office of Judicial Affairs.

   b. The student will be subject to any academic sanctions imposed by the professor (from receiving a 0 on the assignment to receiving a failing grade in the class).
c. A copy of all the material involved in the case (Academic Dishonesty Report Form and the Request for Instructor to Adjudicate Form) and a brief statement from the professor concerning the facts of the case and the course syllabus should be mailed to the Office of Judicial Affairs for inclusion in the student’s discipline record.

**First Offense - Not In Violation Plea (student does not admit the violation)**

If the professor and the Dean of Students agree that the evidence is sufficient to warrant a charge of academic dishonesty, the professor should contact the Office of Judicial Affairs to determine if this is the first or second violation of academic dishonesty. The student will be charged with academic dishonesty and the University Judicial Board or a University Hearing Officer would hear the case. If the student is found responsible, the following penalty will normally be imposed:

a. The student will be placed on Disciplinary Probation for a minimum of one semester by the Office of Judicial Affairs.

b. The student will be subject to any academic sanctions imposed by the professor.

**Second Violation of Academic Dishonesty**

If the professor and the Dean of Students agree that the evidence is sufficient to warrant a charge of academic dishonesty, and if it is determined this is the second violation, the student will be charged with academic dishonesty and the University Judicial Board or a University Hearing Officer would hear the case.

If the student is found responsible, the following penalty will normally be imposed:

a. Suspension for a minimum of one semester or expulsion.

b. The student will be subject to any academic sanctions imposed by the professor.

**NOT RESPONSIBLE FINDING**

When a student is found not responsible of academic dishonesty, the work in question (assignment, paper, test, etc.) would be forwarded to the Discipline Coordinator. It is the responsibility of the Discipline Coordinator to ensure that the work is evaluated by a faculty member other than the individual who brought the charge and, if necessary, submit a final grade to the Registrar. For the protection of the faculty member and the student, the work in question should not be referred back to the faculty member who charged the student with academic dishonesty.
In the case of a Discipline Coordinator bringing charges against a student, an administrator at the Dean’s level will ensure that the student’s work is evaluated in an appropriate manner.

**CONFIDENTIALITY**

In accordance with provisions of the Family Educational Rights and Privacy Act of 1974 and the Georgia Open Records Act, any information related to a violation of academic dishonesty or the outcome of a judicial hearing regarding academic dishonesty, is prohibited and must be treated as confidential by members of the faculty.”

**Academic Handbook**
Your failure to comply with any part of this Handbook may be a violation and thus, you may receive an F in the course and/or be referred for disciplinary action.

**University Calendar for the Semester**
The University Calendar is located with the semester schedule, and can be found at: [http://students.georgiasouthern.edu/registrar/resources/calendars](http://students.georgiasouthern.edu/registrar/resources/calendars)

**Class Etiquette:** Please silence all cell phones during any class meetings since ring tones are disruptive to others.

**Portfolio Inclusion**
Samples of your work may be reproduced for search purposes and/or inclusion in the professor’s teaching portfolio. You have the right to review anything selected for use, and subsequently ask for its removal.

**One Final Note**
The contents of this syllabus are as complete and accurate as possible. The instructor reserves the right to make any changes necessary to the syllabus and course material. The instructor will announce any such changes in class. It is the responsibility of the student to know what changes have been made in order to successfully complete the requirements of the course.
