Graduate Sport and Exercise Psychology Program Recognized

April 7, 2021

Georgia Southern University's Master of Science in Kinesiology with a sport and exercise psychology concentration has been recognized as one of the top programs in the country for sports psychology. Housed in the Waters College of Health Professions, the Sport and Exercise Psychology program was ranked No. 2 by *Best Value Schools* in the list "[Top 15 Best Sports Psychology Degree in 2021](#)."

Over 50 colleges were evaluated and ranked based on enrollment and cost.

The 36-credit hour graduate Sport and Exercise Psychology program is designed for students interested in applied work and/or research in the sport and exercise psychology discipline and is grounded in the fundamentals of the scientific process and theory for research.
