Brown Bag Lunch Series in the Library ... Lunch 'n the Learning Commons

October 7, 2008

We hope that you are just as excited as we are about the opening of the newly renovated library. As we begin to settle into this great facility we would like to offer you the opportunity to learn about services and resources including new technologies (e.g., scanners and video editing equipment) available in the library's new Learning Commons. The partnership established between the Information Technology Service's Help Desk and library personnel staffing the Learning Commons will also be discussed. The Learning Commons allows for library users to conduct research, type and print any kind of reports, and seek computer assistance (e.g., WebCT, WINGS, MyGeorgiaSouthern.edu, wireless access) from one location. The discussion/lunch will be held in the library's conference room (3rd floor – take elevator B) and afterwards there will be a tour.

Remember to bring your favorite lunch. Vending machines (snacks and sodas/water) are also on the 1st floor of the library.

And we're looking forward to seeing you...
