Three GS Students Win WIT Scholarships

June 5, 2018

We are proud to announce that three Women in Technology (WIT) members from Georgia Southern have been awarded scholarships from WIT Atlanta: Alajia Colon, Chidera Obinali and Nicole VanEllison will each be awarded a \$5,000 scholarship at a ceremony in Atlanta later in June. Here is the link to the WIT announcement: [WIT Scholarships Announcement](#).

Georgia Southern's WIT has just completed its second year as a campus organization. The energy and passion our WIT members demonstrate for their chosen discipline caught the attention of industry leaders, who have seen fit to award the lion's share of the awards for Georgia to our students. Congratulations to Ms. Colon, Ms. Obinali and Ms. VanEllison, as well as the WIT faculty mentors Dr. Elizabeth Rasnick and Ms. Kristen Hawkins.
