Dr. Linda M. Bleicken, President
Armstrong Atlantic State University

Faculty Senate Bill: i-FAC 1.

We, the duly elected faculty senate of Armstrong Atlantic State University, kindly request that President Bleicken work with the Vice President of Business, Finance and the Chief Information Officer, and the Planning Budget and Facilities Committee to develop an ITS budget line item for full-time faculty computer procurement (new faculty) and replacement (current faculty) starting with FY2012-13 and each FY thereafter.

Rationale:

1.1 Given Armstrong's Strategic Goal 3 to "... enhance existing campus technologies..." and the vital importance of faculty access to modern and reliable computing resources, Armstrong must make clear its commitment to providing its faculty with the tools needed in order for faculty to maximize their role in achieving Armstrong's mission and vision.
