Annual tree-planting ceremony is Dec. 10

DECEMBER 6, 2007

Georgia Southern President and Mrs. Bruce and Kathryn Grube will host the University's annual holiday tree-planting ceremony on Monday, Dec. 10, at 3 p.m.

The Grubes will plant a large holly tree in front of the Recreation Activity Center (RAC). They will plant the tree in lieu of sending holiday cards to the campus community.

The tree-planting ceremony is a Georgia Southern holiday tradition that was started by former President Dale Lick, who served the University from 1978 through 1986.

The University's faculty, staff and students are invited to enjoy refreshments inside the RAC immediately following the ceremony.

Georgia Southern University, a Carnegie Doctoral/Research University, offers more than 120 degree programs serving nearly 17,000 students. Through eight colleges, the University offers bachelor's, master's and doctoral degree programs built on more than a century of academic achievement. The University, one of Georgia's largest, is a top choice of Georgia's HOPE scholars and is recognized for its student-centered approach to education. Visit: www.georgiasouthern.edu .
