There are still spaces available to participate in ArtsFest'15!
But hurry, they won't last long!

For over 30 years the **Betty Foy Sanders Department of Art** at Georgia Southern University has hosted the largest community outreach event at Georgia Southern, and this year will be no different. Last year, Sweetheart Circle came alive with 5,000 guests from all over the Southeast as they gathered for food, performances, community, and most importantly- Art!

Join businesses and organizations who have already committed to giving back to the community. Getting involved is a wonderful way to give back to Statesboro, as well as promoting your business or organization.
