[TAG Savannah Hosts the Savannah Speaker Series at Georgia Southern University](#)

October 20, 2014

The Technology Association of Georgia (TAG), the state's leading technology association in the state, and the TAG Savannah Chapter will host the TAG Savannah Speaker Series at 11:30 AM Friday, October 31st at the Georgia Southern University Gene Bishop Field House (2100 Malecki Dr., Statesboro) at Paulson Stadium.

Shane Turner, Principal Engineer at Gulfstream Aerospace Corporation, will speak on "Harnessing Big Data to Drive Operational Excellence and Continuous Improvement." Parking will be available behind the Gene Bishop Field House in the stadium's parking and tailgate area. Admission to the event is free. Prior to the speaker series, attendees will be able to tour the new Football Operations Center at Paulson Stadium beginning at 10:30 AM.

TAG's mission is to educate, unite, promote, influence, and unite Georgia's Technology community to foster an innovative and connected marketplace that stimulates and enhances a tech-based economy. TAG memberships are available through the TAG website, with chapters in Athens, Columbus, Greater Augusta, Metro Atlanta, Middle Georgia, and Savannah.
