Details Regarding the Elite Sport Shooting Center

Submitted by: Robert Costomiris

5/9/2013

Question:

- 1) What is the current Business Plan and operating budget for the Sports Shooting Center?
- 2) What are the exact site plans (including placement of structure, parking, road access, perimeter control) for the location on with the Sports Shooting Center will be built?
- 3) Who is designing the structure and related facilities and when will the site and building plans be made available to the public?

Rationale:

The construction of the Elite Sports Shooting Center is a complex project the scope of which has changed since its conception a couple of years ago. The university and Statesboro community has an interest in this project and needs to be kept abreast of how the project has changed over time.
