Faculty Senate Supports
www.keepgunsoffcampus.org Resolution

Submitted by: Greg Brock

Motion:

I move that the Senate Moderator be authorized on behalf of the Faculty Senate to sign and email in the one page endorsement form for the Campaign to Keep Guns Off Campus resolution listed on the www.keepgunsoffcampus.org web page.

Rationale:

The resolution concerns the entire university and the potential for concealed people guns legislation that would prohibit our local ability to control concealed people gun policy on our campus.

The form will include “Faculty Senate, Georgia Southern University” as the institution. By doing so, we will join hundreds of other universities and colleges on this resolution. The entire resolution is on the web page and so not repeated here.

Senate Response:

11/27/2012: Approved by the Senate. Minutes 11/27/2012:
1. Motion Request: Faculty Senate supports www.keepgunsoffcampus.org resolution.
Discussion centered on the fact that the resolution does not call for a firearms ban, but for supporting the right of institutions to regulate guns on their campuses. The motion was Approved.

President’s Response:

11/29/2012: This is a resolution and therefore does not require approval.
