ABOUT THE COLLECTION

Administrative History: Founded in 1974, the Bulloch County Historical Society is dedicated to educating the community about the rich history of Bulloch County with various society-sponsored Programs. The society is dedicated to the idea that knowledge of the history of one's community is basic to our democratic way of life. It gives us a better understanding of our state and nation and promotes a greater appreciation of our heritage. More information about Bulloch County Historical Society can be found at www.bullochhistory.com.

Scope and Content: This collection consists of materials created and collected by Bulloch County Historical Society assembled by its members. Materials span 1865 - 2005 and consist of photographs, letters, newspaper articles, booklets, and other documents. This collection contains original content, researched content, as well as photocopied materials.
