Library Resource Updates

June 25, 2018

The University Libraries announce the following updates to our collections:

Canadian Newsstream (ProQuest)

Canadian Newsstand (ProQuest) is now [Canadian Newsstream \(ProQuest\)](#). Effective July 1, 2018, all links to Canadian Newsstand (ProQuest) will be updated to the new title. [Canadian Newsstream \(ProQuest\)](#) offers unparalleled access to the full text of over 190 Canadian newspapers from Canada's leading publishers. This full text database includes the complete available electronic backfile for most newspapers, providing full access to the articles, columns, editorials and features published in each. Some backfiles date as far back as the late 1970s.

International Newsstream (ProQuest)

International Newspapers (ProQuest Newspapers) is now included in [International Newsstream \(ProQuest\)](#). Effective July 1, 2018, all links to International Newspapers (ProQuest Newspapers) will be removed from the library website and all combined newspaper content will be available via [International Newsstream \(ProQuest\)](#). International Newsstream provides the most recent news content outside of the US and Canada, with archives which stretch back decades featuring newspapers, newswires, and news sites in active full-text format.

L'Année philologique

The University Libraries support Georgia Southern University by providing access to information, collections, and services designed to meet the scholarly needs of the University and the general public. As part of this effort, the Libraries continually review our database subscriptions to ensure that we provide the best possible mix of resources and research tools. Due to cost and low use, L'Année philologique has been identified for cancelation effective immediately. All links to L'Année philologique will be removed from the library website effective July 1, 2018.

The Reflector

As part of regular maintenance, [The Reflector](#) will be removed from the A-Z Database List effective July 1, 2018. [The Reflector](#) remains available via [Digital Commons](#), [Discover @ Georgia Southern](#), and [GIL-Find \(Library Catalog\)](#).
