# 26 PCEC Student Research Symposium Presentations Win Awards

April 25, 2022

On Friday, April 22, the students of the Allen E. Paulson College of Engineering and Computing packed the IT Building's first and second floors with outstanding presentations of research, amazing industry and faculty judges with not only the level of their work but their ability to engage one-on-one and explain their processes and results to laypeople and experts alike.

Industry and agency sponsors Crider Foods, Georgia Centers of Innovation, Georgia Power, Gulfstream Aerospace, Hawk Measurement, MAPP Construction, SALT (Southern Automation, Logistics & Technology), and Trane, as well as the College itself, then awarded \$10,000 in awards to 26 top presentations. See <https://cec.georgiasouthern.edu/our/symposium/> for the list of awardees and their presentations.
