PCEC's Dr. Masoud Davari Featured in WJCL News Story about EV Charging Stations

October 5, 2022

<https://www.wjcl.com/article/georgia-receiving-dollar130-million-to-build-electric-vehicle-charging-stations/41361242#>

Dr. Masoud Davari, Associate Professor of Electrical and Computer Engineering, spoke with WJCL's Andy Cole on September 23rd about Georgia's initiative to build new electric vehicle (EV) charging stations across the state. His remarks begin at the 1:00 mark.

Dr. Davari's research include electric and smart vehicles, power electronics, smart grids, automation and control, power systems, and cybersecurity in smart grids. He recently received an NSF grant for collaborative supergrid research with Aalborg University in Denmark.
