ABOUT THE COLLECTION

Biographical History: Ronald Bryan "Bo" Ginn was born in Morgan, Georgia on May 31, 1934. Ginn attended Abraham Baldwin Agricultural College in Tifton, Georgia from 1951-1953. Shortly after, Ginn attended Georgia Southern College in Statesboro, Georgia from 1953-1956. After graduating from Georgia Southern College he went on to pursue careers in education, business, cattle farming, and he began his political career by becoming an administrative assistant to Senator Herman E. Talmadge.

Ginn served as a representative in the United States of America's House of Representatives for the state of Georgia from January 3, 1973- January 3, 1983. Despite Ginn's success in the House of Representatives, he was unsuccessful in his campaign for governor of Georgia. During his time as a state representative, he sponsored seven bills that were approved by both the House of Representatives and the Senate.

As stated above seven bills he sponsored were made into laws, these seven were an exception to his other sponsored bills. He only had seven bills that were passed of the 91 that he sponsored. These seven bills included: H.R. 6968 (97th): Military Construction Appropriation Act, 1983, H.R. 4241 (97th): Military Construction Appropriation Act, 1982, H.R. 13187 (95th): A bill to designate the United States Post Office and the Federal Building in Griffin, Georgia, the "John J. Flynt, Jr. Federal Building", H.R. 14977 (94th): An Act to name the Federal office building in Athens, Georgia, the "Robert G. Stephens Jr. Federal Building", H.R. 12927 (94th): A bill to designate a Federal building and U.S. Post Office in Jasper, Ga., as the Phil M. Landrum Federal Building and Post Office, H.R. 11311 (93rd): A bill to name the Federal building, U.S. Post Office, U.S. Courthouse, in Brunswick, Ga., as the "Frank M. Scarlett Federal Building", H.R. 8406 (93rd): A bill for the relief of William M. Starrs.

Scope and Content: This collection consists of various political papers to and from Ronald "Bo" Ginn from 1973 to 1983. The collection includes professional correspondence to and from various constituents and organizations, personal correspondence, and audiovisual tapes of Ginn's life and work. These items contain items of importance for the citizens of Georgia such as, agriculture, government spending, and issues regarding other forms of commerce for Georgia.

System of Arrangement: Boxes are arranged by categories and the contents inside the boxes are arranged in chronological order
