MyNews for April 23, 2018

Georgia Southern faculty, Information Technology Services team up to conduct solar research

South Georgia is known for its sweltering, sunny days. While residents may resent the heat now, researchers at Georgia Southern are trying to prove its benefit by determining the amount of potential solar energy available in the Statesboro area. Their findings could not only provide groundbreaking data for clean energy resources, but could also save local residents a lot of money.

Georgia Southern University Armstrong Campus honors students at annual Awards Convocation

Georgia Southern's Armstrong Campus in Savannah hosted its annual Awards Convocation ceremony on April 19 to recognize outstanding student achievement for the 2017-2018 school year. University President Jaimie L. Hebert, Ph.D., welcomed guests and presented awards, along with other University academic leaders, to more than 50 high-achieving students during the ceremony. Student Government Association President Nipuna Ambanpola served as master of ceremonies.
