On Monday, March 24, eleven Eagle student athletes declared their majors in the Allen E. Paulson College of Engineering and Computing as founding Dean Mohammad Davoud welcomed them to the College. From left to right, Nichole Harris (Civil Engineering), Ansley Fullen (Mechanical Engineering), Pol Del Castillo (Mechanical Engineering), Dimitris Paliouras (IT), Laurent Julia Calac (IT), Brantley Baker (Construction), Dean Davoud, Graeme Williams (Mechanical Engineering), Chandler Strong (Construction), Madeline Banks (Computer Science), Braxton Tucker (Computer Science), and Brett Zerbel (Construction).

Congratulations to these hard-working student athletes. We look forward to them bringing the same dedication they show on the field of play to their classrooms and laboratories. Go Eagles!
