

# CREDIBLE LEADERS

## LEADERSHIP DEVELOPMENT

### ABOUT OUR FOUNDER

Michael Tanner is a leadership veteran with more than 27 years of highly engaged and practical experience. Through successful leadership positions of increasing scope, ranging from the U.S. Marine Corps infantry to C-suite executive, Michael is constantly evolving his knowledge and experience as leadership practitioner. Michael earned a bachelor's degree in computer science and a master's degree in leadership. He prides himself on leveraging his unique combination of education, skills and experience to harness the greatness within his clients and unleash the possibilities of their leadership potential.

### COACH

Michael is truly a coach, not just a teacher or professor. Michael's passion to see developing leaders succeed includes seeing them succeed in the actual game of leadership. Michael is diligent to teach solid leadership principles and coach leaders on their court in their game.

### AUTHOR

Michael shares much of his leadership wisdom through written media. CredibleLeaders.com is filled with highly relevant blog articles. Books, quest posts, podcast interviews, and social media are a few ways to connect with his content.

### LEADER

Throughout his nearly 30-year career, Michael has personally transformed the performance and leadership of teams of two (2) to more than 150.

### SERVANT

Michael practices a model of servant-based leadership. He passionately shares his expertise and energy in the service of others while partnering with them on immediate opportunities and unpacking their dreams to lead a life of leadership significance.

## TESTIMONIALS

"Michael demystifies what it means to be a leader. It's not something you learn in a management course, or something you can major in at University, but Michael Tanner makes the process of learning what it means to be a credible leader feel achievable. Michael is a fun and interactive teacher and leader; you'll definitely find yourself looking forward to each lesson!"

— Grant Muller, VP of Software

"A fantastic coach for the fundamentals of effective leadership. Well suited for those just beginning their leadership journey as well as those seasoned leaders that recognize that leadership is a continual odyssey. The coaching is very engaging and fresh. Would definitely recommend!"

— David Shaw, Director of Engineering
