FACULTY TO STUDY GEORGIA COUNTIES

County Contact Committee
Will Render New
Service.

In order that the college may be of the greatest service to the students here on the campus, a new faculty committee, with every member of the college faculty a member was appointed this week. The new committee will be known as the "County Contact" committee.

The purpose of the organization of the new committee is to promote a continuous public relations program with school men and women in counties in South Georgia, to follow up graduates of our college, to establish contacts with alumni, to visit schools and classrooms so that instruction in our college may be kept on a practical basis and teachers prepared in terms of the needs in the field. The general purpose of the work of the committee is to render an educational service as may be needed and desired in the county and to find how to develop better teachers.

Each member of the faculty will be assigned one or more counties in the state. The faculty member will make a school map of those counties, they will visit the county school superintendent, the schools, and the communities from which our students come. They will also collect material useful for classroom work and for training teachers. On the campus

PITTMAN ATTENDS N. E. A. CONVENTION

President Pittman and Leslie Johnson left the campus Tuesday night to go to Cleveland, Ohio, where they are attending the annual meeting of the School Administrators of the National Education Association, and the meeting of the American Association of Teachers Colleges.

Dr. Pittman is a director of the association of the American Association of Teachers Colleges and attended the meeting of that body last Thursday, Friday and Saturday. He will stay over in Cleveland for a meeting of the supervisors and directors of instruction. Tomorrow (Tuesday) he will serve as chairman of a panel discussion for that group.

Mr. Johnson will take part in a meeting of the Curriculum Construction Association, a part of the National Education Association. Dr. Pittman and Mr. Johnson will return to the campus Thursday.

"FERDINAND"

Six-Months-Old Bull Aristocrat of Campus

"Ferdinand," the recently acquired blue blood of Teachers College campus, had an appointment with the photographer one morning this week at 11 o'clock, and "Ferdinand," unlike T. C. seniors, was standing in the corner of a green pasture at exactly 11 o'clock.

Ferdinand with three smaller bulls had been romping all over the pasture until the appointed hour of the picture-making. With the aid of John Wesley, the George-Anne staff photographer, with camera in hand, softly crept up on the little aristocrat—but that was not necessary, because "Ferdinand" saw the camera and walked over to the corner of the pasture to pose. He would hold his head up for one "shot," then down for another. The photographer, however, was somewhat disappointed that he did not get a "shot" of the new college bull sitting under a tree smelling the flowers.

"Ferdinand" is a direct descendant

of Matador Segis Ormsby, the bull that sired the world record cow, Carnation Ormsby Butterking. He was sent to the campus from the Knapp Farm of the George Peabody College. He is six months old, black and white, much larger than the other six-months-old playmates.

The dam of "Ferdinand" has a yearly production record of 15,969.4 pounds of milk and 551.7 pounds of butterfat as a two-year-old. She is a daughter of one of the best foundation cows in the Peabody herd. The sire of this famous calf is Oostie Masterpiece 2nd. He himself is out of a cow with 886 pounds of butterfat in a year. This is a Wisconsin state record, also twice back to the bull Matador Segis Ormsby.

"Ferdinand" is the second Peabody bull acquired by the college farm. "Peabody Boy," the first sent here several years ago, is now a full grown bull.

Valuable Magazines Received by Library

A collection of magazines, whose value cannot be over estimated has been received by the library from the Georgia Library Commission.

The magazines have been deposited here by the State Library Commission and virtually become the property of the college. The magazines date back ten and twenty years and the historical magazines cover the World War completely. There are files of Current History, International Studio, World's Work, Annual of the American Academy of Political and Social Science.

W. C. Haygood, librarian, stated that the collection was priceless and that he could not place an estimate

BACHELORS' BALL THURSDAY NIGHT

Show Will Contain a Large
Variety of New
Acts.

The Bachelors' Ball, again occupying the top spot of the year in entertainment on the T. C. campus, will begin at 8 o'clock, Thursday night, in the college Gymnasium. The show will again maintain its standard of variety with a brand new set of acts being presented. Marion Carpenter and his Professors will furnish music for dancing between acts.

Much time and preparation has been made to make the waltz "Tales of the Vienna Wood" one of the outstanding parts on the program. Mrs. B. L. Smith will sing the waltz after which the dance will be rendered by the following couples: Meg Gunter, Cope Ozier; Froggie Breen, J. L. Faircloth; Mug Mathews, Bartow Miller, Kitty Gardner, Bill McLeod; Priscilla Prather, Bill Ware; Betty Smith, Willard Clanton. Meg Gunter has directed the dance rehearsals, with Sephalee Hutchinson as piano accompanist.

David Proctor and Hendry Bagley will furnish the black faces for a skit written by those geniuses of wit and humor, Bobby Carroll and Willard Clanton. J. L. Faircloth will contribute to the program with a special dance which he has been practicing for years. Eula Beth Jones will delight the audience with her special arrangements of sophisticated

LELAND COX IN RECITAL TONIGHT

Leland Stanford Cox, a graduate of South Georgia Teachers College, will present a concert piano recital in the college auditorium tonight (Monday) at 8 o'clock.

After receiving his B. S. degree and certificate in piano Cox has been studying in Atlanta and is a member of the Young Artists' Group of the state, according to Mrs. E. L. Barnes.

The concert is sponsored by the Statesboro Music Club and is free to the public. After the program the young artists and the members of the Statesboro Music Club will be entertained at an informal reception in East Hall.

Following is the program:

1. Chromatic Fantasie and Fugue, Bach; Rondo Capriccioso (Rage Over a Lost Penny), Beethoven.
2. Sonata in B Minor, Chopin.
3. Reflections in the Water, Debussy.
4. The White Peacock, Griffes.
5. Ordine, Ravel.

LIBRARY REGULATIONS

Mr. Haygood expressed his deep regret that such an expedient is necessary with people in college, but, in view of the fact that, in spite of his appeals, books of all kinds are still disappearing from the library at a rapid and appalling rate; hence it will be necessary to check with an assistant stationed at the door, any books taken from the building. Books already out may still be returned, however, with no questions asked.

INTRAMURAL PARTICIPATION

The intramural program offers many values to the average student, values that are not offered in any other way. The majority of college students have no chance to be a part of an organized athletic team; what recreation they have is more or less an individual affair. The sponsoring of intramural leagues, tournaments, and round robins gives every student in school the opportunity of belonging to a team, allows them to develop a sense of loyalty to a group, and teaches them to subordinate their own selfish interests for the interests of the team. Other values accruing to the individual are general organic development, due to the taking part in active games regularly; better fellowship among students, due to the common bond of interest, and the understanding of the other fellow's point of view; and of course a development of skills in activities in which one competes with his friends and fellow students.

Every boy and every girl in school who can possibly find time ought to take advantage of his or her opportunity to participate in the intramural program. This program is for the mass of the students, those who have not had the advantage of special training for long periods at a time—such as the varsity and freshmen athletic teams. It is hoped that the coming intramural basketball tournament for men (starting today) will be even more successful than the ones before. More than one hundred boys could, and should, be on hand, lending support to their own team.

In any tournament, or league, only one team can eventually win out; there is no reason why the members of the other teams should not enjoy the participation in a healthy, wholesome manner. A boy should not refuse to play because he fears that his team does not have the best chance of winning. That is only more reason to strive toward victory; it would mean more under the circumstances.

Diggings

George and Anne is going to bed and no dirt as yet. Oh why, oh why is everyone scared or afraid to say anything about some of their friends? But wait, someone pulled back the cover and now we see some bare facts:

That Gardner girl pulls a fast one last week end with a big fish fry. How was it, "Stuffy"? If only he had been there! By the way, "Stuffy" made a long-distance phone call!

What girl sang "I won't Tell a Soul I Love You" to her great big football hero on a certain party? Won't you tell us, Jody?

It seems to us (the author) that the recent beauty contest turned out to be nothing but a popularity ballot. Flash—this is no dirt.

What this college needs to make a dirt column is people like Pineapple Bacon, "The Wolf," Bobb Harris, Admiral Byrd and Jim's Cusin, "Robbie."

A basketball tournament will tell a lot of tales out of school, if you don't believe it, ask some of the following people, Rigsby, Jim DeLoach, Miller, etc.

If pictures are to be taken in Statesboro, one should be careful, for Sander's Studio is making plenty of money (hush) by showing and not showing some prints.

The Armstrong team seemed to make a big hit with Miss Veazy's girls last Wednesday night—both at and after the game.

Who rates a house party bid? Beware, girls, for a great big time is had by all that attend both parties. Oh, maybe there will be a third party for some of the West Hall girls.

A big question on T. C. campus: Mumps??? Will you please make your mind up, Mildred? It is a big job to spell Proctor, and the change every week or two means more type metal.

Will some girls in East Hall please take notice to this: The N. Y. A. boys are here in school to work.

Did the boys in the band have a nice trip to Valdosta last week end, and are they going to have one next week end. Fess up boys, how about it? Oh, should I say Hulas?

What explanation did you give to one of your brothers last week, Dabber?

Did Miss Veazy find out about the Dramatic Club celebration last quarter, or is it for some other reason that the club is not giving a play this quarter?

The girls want to know why Bill Battle was not in the beauty contest. Why not tell them, Bill?

Flash! There is no more "Froggie" on the campus. Mr. Hanner thought it should be "Fishy" after the fast one she and B. H. pulled on the trip to Savannah.

Annie B., will you please tell us what you do to get so much candy, etc., for Valentine's Day. Us girls would like to get something, too.

Speaking of Valentines, Juanita wants to know who sent her that cute one about her taking all of the boys.

Who sent you a big heart, Jimmie?

Some one please tell Ben Ayres how to flirt. He tries mighty hard, but he doesn't seem to have the right technique.

Ask Jonathan Taliaferro Sapient Simpson, the Norcross brainless wonder, what the OPTIMIST said about his eyes.

Bill Talbert, will you please give the girls a break. It will mean some sleep for many of the staff members.

99,999,999 guesses who was the happiest couple on the campus last Sunday. Our guess: Homer and Olive. Why?

UNSATISFACTORY REPORT

According to a report made by Zach S. Henderson, dean of the South Georgia Teachers College, there were 162 students who were doing unsatisfactory work in at least one subject for the first six weeks of this term. As there are 551 students enrolled this is 29 per cent of the entire student body. The freshman class led in unsatisfactories, placing 33 men and 69 women on the list; the sophomores had 20 men and 20 women; the juniors 12 men and only two women; the senior class had three of each sex doing unsatisfactory work.

Out of 245 boys in the Teachers College, 68, or 28 per cent were doing unsatisfactory work; of the 306 women enrolled 94 or 30 per cent were on the list.

Honors for high score man for the season goes to Hendry Bagley, who rang up a total of 104 points for the season to lead the Teachers scoring. He was closely followed by Harris Rape, who garnered 100 points, even-stein. The points shot by each Tideman: Bagley 104, Rape 100, Hamil 87, Anderson 69, Rigsby 55, Tolbert 39, Miller 36, Enlowe 32, Bell 25, Carswell 25, Clifton 18, Winn 13, DeLoach 9, Ozier 6, Houston 4.

The whole team scored 622 with Bob Bell scoring the most points for a player in a single game as he scored 22 points in the second contest with the Celtics.

Intra-mural basketball will bounce into prominence next week as the teams will go into the annual tourney. The defending champions, the Faculty, will be slightly weaker due to the fact that adding of another year will slow down some of the veteran members slightly. They will still be one of the favorites to cop this year's title. Right now the toughest teams seem to be Pi Nus, Faculty, Hugger Daggers and the Delta Sigs. A new team has appeared to challenge one an all under the name of "The Filthy Few." This team stars the Great Hugh Hill, who garnered 24 points last Saturday night as the "F. F.'s" soundly trounced the Dugger Daggers. A great tournament is in prospect.

Bouquets to the administration for letting all the football players off from their work jobs to participate in spring football.

The tennis teams look strong this year with Punky Perryman, Cope Ozier and other veterans back and a galaxy of new stars from other colleges such as "Evolution" Royell, Pierre Harper and others.

It is often said that a coach thinks of his team first at all times and this was clearly shown not later than a week or two ago. A certain coach and his team was spending a night in a small town on the second floor of a hotel. During the course of the night the coach and his players were awakened by people running up and down the hall shouting "Fire! Fire!" Instantly thinking about his team the coach stuck his head out in the hall and hollered, "First team go down the fire escape, second team jump."

No breaking or tagging will be allowed on the dance floor.

THIRTY MEN OUT FOR SPRING DRILL

Thirty men answered Coach Smith's call for spring practice Monday and have been romping through some stiff preliminary practices this week. The hard work will begin this week and last until next week. Coach Smith is being assisted by the senior players of last year's squad in coaching the spring gridders.

Among those answering the call were: Winn, Brantley, Johnson, Morrison, Waters, Bell, Ramsey, Patterson, Hodges, Hamilton, Reeser, Smith, Turner, Joe Hurst, Hardwick, Waller, Dunn, Buxton, Hodges, Houston, Anglin, Kenan and Heath. Thirteen of the players are hold-overs from last year and of this number six are letter men.

Coach Smith is well pleased with some of the newer members of the squad as: Ramsey at end, Keenan, Houston and Heath at backs, and Dunn at guard. Pat Patterson seems to be slated for a blocking back position next year and Gene L. Hodges seems to be ready to go in the "scat-back" position.

Brief Review of Basketball Season

And now for a brief review of the 1939 basketball season. . .

The Teachers opened early in January with a victory over Douglas 41 to 31; but then for four straight games they were defeated by the J. E. A. of Savannah 36 to 34, by Armstrong 30 to 25, by Cochran 57 to 37, and by Newberry 44 to 32. Then the Profs jumped back into the win column with a 45 to 33 decision over the Parris Island Marines, and a 61 to 47 win over Douglas. However, when they went to Cochran they were again defeated by the Middle Georgians. The second T. C.-J. E. A. game was a thriller, with the Professors winning 52-49. Following the J. E. A. game the Teachers went over to Charleston and defeated the College of Charleston 62 to 32, but on their way home lost to the Marines by seven points. In the last two games of the season played at home the Teachers won the first, defeating Armstrong 27 to 23, and losing to the Mercer Bears 58 to 52.

W. A. A. TOURNAMENT CLOSED

The basketball tournament came to a close with Marjorie Bacon's team winning with only one game lost throughout the season. The runners-up were Frances McCarthy's team, with four games won and two lost; Tommie Gray's team, with three won and two lost and one tied; Froggie Breen's team, with two won, three lost and one tied.

There were approximately seventy girls out for the tournament.

Teams from East and West Halls played a series of games. West Hall won the greatest number, winning the final game by a two-point margin.

PROFS DEFEAT ARMSTRONG 27-23

Teachers Keep a Three-Point Lead Throughout the Game.

The Blue Tide avenged an early season defeat by handing Armstrong Junior College a 27 to 23 defeat on the local court. "High Score" Stevens, all southeastern junior college player, was held to a mere nine points in this low score game. However, Stevens was the spark plug of the 'Geechees' attack. Rape led the Teachers, scoring eight points, with Bagley a close second with seven. At the half the Teachers led Chick Shiver's boys 15 to 11 and succeeded in keeping at least a three-point lead throughout the game.

The line-ups:

Teachers	Pos.	Armstrong
Bagley(7)	f	McLoughlin(1)
Tolbert	f	Stroughton(3)
Hamil(4)	c	Stevens(9)
Rape(8)	g	Riley(6)
Rigsby(4)	g	Cranman(4)
Substitutes: Teachers — Carswell, Miller(2), Winn, Armstrong—DuPont, Walsh, Longwater.		

INTRA-MURAL BASKETBALL

The boys' intra-mural basketball tournament gets under way in the Gymnasium this afternoon. At least fourteen teams will enter the tournament.

According to Coach Jim Wrinkle each team will carry eight men. No team is eliminated until they have lost two games. Two games will be played each afternoon and a few are scheduled in the evening. The Faculty team is defending the Champions, having won last year's title.

Teams definitely signed up for the tournament are: Faculty, Buggar Daggers, Delta Sigmas, Penhouse, Gesmon Brays, Iota Pi Nus, John Allens, Dynamiters, Hugh Hills, N. Y. A., Bushwhackers and Filthy Few.

"PLAY NIGHTS"

Were we hot!
Did we run!
Were we tired!
Did we have fun?

Co-recreation nights have gone over with a bang. We hope that the coming "play nights" will be even bigger successes. Come one, come all, with or without a date, and join in the fun to be had playing volleyball, badminton, ping pong and shuffleboard.

Teachers Lose To Bears In Thrilling Finale of Season

The Mercer University Bears nosed out the Teachers in the finale of the 1939 season in one of the hottest contested games ever seen on the local court. The Teachers tied the score 50 all as the game ended by virtue of a great last quarter rally that completely swept the doughty Bears off their feet. Joe Daughtery's Bears proved too much for the gallant tide in the five-minute play-off period as they scored 8 points to the Tide's 2 to win 58 to 52. Mercer's two high score aces led the scoring honors as "Doc" Kirksey garnered 18 points, and "Crooked-Arm" MacIlvane, the Wadsworth, Ohio, flash counted for 17 points. Bartow Miller, playing in his last athletic contest for Teachers College, played brilliant ball and brought the crowd to its feet with several brilliant long shots. Miller tied with Hamil for top honors for the Tide in getting 12 points.

The line-ups:

Teachers	Pos.	Mercer
Rape(8)	f	MacIlvane(17)
Rigsby(3)	f	Kirksey(18)
Hamil(12)	c	Cline(2)
Miller(12)	g	Kumise
Tolbert	g	Dillard(6)
Substitutes: Teachers—Carswell(3), Enlowe(5), Ozier, Winn, DeLoach, Clifton. Mercer — Martin(11), Sellers(3), Allen(1), Tunach.

Lieutenant Collins Gives Interesting Talk to Students

Lieutenant Garland W. Collins, U. S. Coast Guard, who is stationed in Savannah, made an interesting talk on the United States Coast Guard Academy at the South Georgia Teachers College Monday.

Lieut. Collins explained that he had been designated to visit the accredited colleges in Georgia, Florida and South Carolina to inform students of the opportunities offered by the Coast Guard Academy. He advised all young men who were eligible to take the competitive examinations, and urged all "future teachers" to explain the advantages of the Coast Guard Academy to their students.

Lieut. Collins stated that a good foundation in mathematics and science is essential; the competitive exams are in English and mathematics, and are held about the middle of June; an appointment is not necessary. Included in his talk was a brief account of the work done by the coast guard in the past year, and a discussion of different phases of life at the academy.

College Group Attends Boake Carter Lecture

Attending Boake Carter's lecture in Savannah were the following students and faculty of the South Georgia Teachers College: Mr. and Mr. Ivan Hostetler, Mr. and Mrs. M. A. Owings, Mr. and Mrs. Ronald J. Neil, E. G. Livingston, George L. Bing, Dr. Abner W. Kelley, Milton Findley, J. A. Gardner, Mildred Pittman, Evelyn Baggett, Fannie Laurie Harrell, Wesley Sherman and Pierre Harper.

Carpenter and Band Make Recordings

Marion Carpenter and his Professors were feted with a dinner party in Valdosta given them by Johnnie Austin, a former student here, and a former member of the band, who is now director of music at the Valdosta High School.

While in Valdosta the Professors made a number of recordings. The faculty of G. S. W. C. and Mr. Kraft, head of the music department, made the recordings possible. Recent engagements of the Professors include a Valentine dance in Millen, Junior Chamber of Commerce dance, Glennville, President's Ball at Douglas, and a Sophomore Formal at G. S. W. C., Valdosta.

Music Department Gives Concert At Ogeechee School

The music department of South Georgia Teachers College gave a concert at Ogeechee School February 18, presenting music of the Symphony Orchestra and the College Chorus; a number of solos, two quartets, and a trio were also included on the varied program.

The College Symphony, directed by Ernest E. Harris, played Mendelssohn's War March of the Priests, a Mazurka by Chopin, and the Pilgrim's Chorus from Tannhauser by Wagner.

The chorus, under the direction of Ronald J. Neil sang a Bach Choral, Czechoslovakian dance song, Gloria by Mozart and several others.

Soloists on the program were: Billy Turner, violin; Floyd Humphries, clarinet; Martha Daniel, marimba, and Gesmon Neville, trombonist. The quartets sang negro spirituals. The first quartet consisted of Joe Stanford, Tom Jenkins, Ronald Neil and Tom Dews; in the second were Frances Trapnell, John Roberts, and Edward and Carlton Carruth. The trio, Frances Hughes, Janette Caldwell and Burdelle Harrison, featured the Rosary by Nevin, accompanied by Mrs. Ida Cowart.

President Marvin S. Pittman in discussing the plan said, "In order to be of the greatest service to our students here on the campus we need to know more of the situation from which they come. For that reason we have decided to appoint a permanent sponsor for our students according to the counties from which they come. Each faculty member will be assigned a territory with which he or she is to become familiar. We want our faculty members to know county school superintendents, the principals and superintendents of all schools, to know the teachers throughout the county, the general educational program of the county, and the parents of our students. I want our teachers to serve our students in the very best way possible, I want them to be intimately familiar with the exact situation throughout the territory which we serve so that our work may be just as practical as possible. I want them to render whatever service they can in their particular field of interest to the territory for which they are sponsors."

Of interest to students, faculty and alumni is the announcement of the publication of "Advanced Course in Home Making," by Leila Bunce Smith and Maude Richman Calvert.

One of the authors, Leila Bunce Smith, is a graduate of S. G. T. C., class of 1914. She is a native of Bulloch county, an aunt of Lucy, Isaac and Jimmy Bunce.

A copy of the book was presented the college library by Mrs. Smith. The book is published by Turner E. Smith and Company, Atlanta. Mrs. Smith for a long time was in charge of the home economics division of the Fulton county schools.

ENTIRE I.R.C. MEMBERSHIP MAY ATTEND CONVENTION

There is a possibility that the entire International Relations Club may attend the annual national convention of that organization in Williamsburg, Va., it was learned here this week.

Miss Ceciline Swinson, president of the local club stated that plans are under way for the entire membership to attend the national convention. It has been customary for the club to send two delegates, however, if present plans are successful 35 students will go to Williamsburg.

The convention will be held April 6th to 9th with conferences scheduled at William and Mary College.

A recent survey shows that most of the divorces are caused by marriage.
