Little Store Most  
Popular Building

By FRANK FRAZIER

The Little Store is without a doubt the most popular building on our campus. It is there that 551 students enter on an average of at least once a day.

The Little store, which has been in operation nearly two years, includes the college postoffice, recorded as a third-class postoffice under the name of Collegeboro. The postoffice was registered in 1924 and was located in the Administration Building, but moved into the new building when it was completed in 1937. Two hundred fifty pounds of mail arrive daily and an average of 200 letters. The first manager of the Little Store was Virgil Donaldson, of Statesboro. Howell Martin succeeded him in April, 1938. The store is run entirely for the convenience of both students and faculty. A stock including school supplies, confections, and the usual college jewelry and pennants is renewed completely in the course of a few weeks.

President Pittman  
Will Visit In Four  
Counties This Week

President Marvin S. Pittman will leave the campus today for a "get-acquainted" tour of four counties in the western part of the state. The counties are: Early, Calhoun, Clay and Quitman. Dr. Pittman will visit schools in each of the four counties.

Dr. Pittman made speeches at Fort Valley, Camilla and Savannah last week. The first two speeches were in connection with the Wesleyan fund campaign being carried on over the state. Dr. Pittman spoke to the First district P.-T. A. regional meeting on "Federal Aid to Public Schools" in Savannah Saturday.

COUNCIL TO BE  
HELD MARCH 19

The winter meeting of the Council of the University System of Georgia will be held at Milledgeville March 19-20. The council is composed of the presidents, deans and selected representatives of the various institutions.

The principal problem to be considered by the council this year is the Social Science Survey Course. Plans are being made for modifications. The entire social science department will attend the meeting, according to Dr. Pittman. Mr. Hanner or Miss Trussell, of the science department; Mr. Owings, of the English department; Dr. Pittman and Dean Henderson will also attend the meeting.

## WEDDING BELLS

Miss Dot Bunn, Waresboro, popular student here last year, became Mrs. Alton Jerome Murray Saturday, March 4th, in Jacksonville, Fla. Mr. Murray's home is in Waycross.

Mrs. Murray was an outstanding member of the Woman's Athletic Association and took an active part in all activities connected with that organization. She was also prominent socially on the campus.

MISS PRISCILLA PRATHER

State G. E. A. To Be  
Held In Atlanta

The regular state G. E. A. meeting will be held in Atlanta March 23, 24 and 25, according to Dr. Marvin S. Pittman.

The meeting comes at the reopening of school and it will be impossible for the college faculty in general to attend. However, plans are being made for the entire faculty of the Laboratory School to represent the college at the meeting.

District G. E. A. meetings are held in the fall at which time the South Georgia Teachers College acts as host to the representatives of different schools in its district.

ELOISE MINCEY  
MAID OF HONORATTENDANTS ARE SELECTED  
FROM ALL FOUR  
CLASSES.

Priscilla Prather, Washington, was selected as Queen of the May at a special election held for that purpose in chapel last week. The votes were tabulated by classes and every class voted overwhelmingly for Miss Prather.

Miss Eloise Mincey, Sylvania, was elected Maid of Honor at the same time. The queen, her maid of honor and three attendants were elected from the senior class. The juniors also have the right to elect three attendants while the sophomore and freshmen classes have two representatives each. Senior attendants are Virginia Sands, Alice Hill and Anne Felton. Anne Breen, Kitty Gardner and Miriam Girardeau hold these positions for the juniors. Frances Deal and Froggie Breen were selected by the sophomores. Abbie Mann and Betty Smith will represent the freshmen.

Other eligible girls for May Queen in the senior class were Emily Akins, Blanche Anderson, Mary Edith Anderson. See PRATHER, page 4

—Job36:4-5.

Congratulations to the new May Queen and her Court.

Have a good time during spring holidays and hurry back.

Graduation time is approaching too fast for some seniors.

We will have an even more beautiful campus in the near future.

The survey for the new campus driveway has been completed.

Why not get a membership card from the new president and join the Y. M. C. A. today?

## THE VICIOUS MINORITY AGAIN!

Our vicious minority will either have to be improved or eradicated before any progress can be made in the direction of setting up an honor system in our college. The Student Aid Club tried out the honor system in Sanford Hall a few nights ago and it was a grand flop due to the activities of the old-guard minority. The majority of the students co-operated and apparently progress was well under-way toward a convenient method for students to satisfy hunger by honor. But, as usual, the minority appeared on the scene to impede progress and to injure the majority by taking unfair advantage of the situation. They also took the Student Aid Club's candy and money.

## SPRING HOUSE-CLEANING

Now is an appropriate time for the George-Anne to wage a spring house-cleaning campaign. With the girls our victory is already half won. It is an inherent trait for the young lady to dust, to make the bed, and to move the furniture about now and then. However, the young gentleman's fancy is more likely to turn to other things than the bed that needs to be made up or the floor that needs to be swept. So we implore you, young fellow, to make up your bed at least once per day for the following reasons:

1. A clean room is first-aid for the self-respect of a college student.
2. Makes you feel better.
3. Makes Aunt Sophie feel better.

# Diggings

Hugh Maxwell seems to have forgotten the girl he left behind. Keep up the good work, Hazel.

We haven't seen Pris Prather's name in the dirt column in some time. Pris Prather.

Most appropriate joke of the month:  
First Bachelor: "Miss Veazy's teeth are like the stars."

Second Bachelor: "How is that?"  
First Bachelor: "They come out every night."

We wonder why a certain young lady's man was late returning to the picnic. How about it, Mercer and Carpenter?

Quote, "Variety is the spice of life," unquote. Some of our great campus lovers seem to think so.

Things are running smoothly with Gardner and McLeod. Keep the machinery oiled.

We understand Tom Scott is getting nowhere fast. Relax, Abbie, relax.

Ask "Evolution" why he cusses so much.

Mr. Hanner and Mr. Boatright seem to differ on the "booze" problem. Miss Trussell can get you tipsy with her binoculars.

Did we hear Joe Stanford singing "I'll be glad when you're dead you rascal you?" Could Billy Talbert be the cause?

"Pedro" Wells and Dana Butler are in "hog heaven" this week end.

Dean Nations announces that a brand new course in "Bushology" will be taught next quarter.

We didn't know that Dr. Pittman was a track man. Henry Ford offered the inspiration.

What boy is in love with "Little War."

In order for "Annie B." to receive a certain type of literature through the mails she changed her name to Mrs. C. A. Breen. We wonder!

We are certainly glad that J. Brantley and the "Baby" are agreeing now. Maybe it's a compromise, who knows?

Emolyn and Eula Beth, do you know that your "true loves" aren't being true? Ann Fulcher and Kathryn Gray are in the picture, too.

Everyone is wondering (or are they?) who said, "Ninety miles just to hold her hand."

We hope D. R. is feeling better now. Why shouldn't he be?

Why did Kitty Dubberly want to survey the county last week? It couldn't be her interest in Georgia Problems, could it?

It's a good thing spring holidays come only once a year. The girls are very excited over the house party n'everything.

Speaking of "true love"—Rosie takes the cake. She loves him so much she can't conceal it, she loves him so much her eyes reveal it.

It seemed like old times seeing Mincey and Johnnie together again.

It is rumored that "Little Mincey" has changed. B. H., could you have had anything to do with it?

The George-Anne takes credit (credit?) for starting the Olive-Blitch affair. Now the Froggie-Green affair has been resumed. May we take credit for that, Abie?

Comes a Golden-Flash: Dot Bunn is married! "Punky" really seems to have a girl now. Is that right, Virginia?

## "QUOTE"

"It is easy for people on the fringe of the circle to criticize those who are in the center."—Rev. Coalson.

All readers are invited to take part in the beginning of the "Quote" column. If you hear a professor or a student making a bungle or saying something really worthwhile, take it down and hand it in.

## COLLEGE HUMOR

Bore: "Well, honey, I must be going now. I hope I haven't bored you too much."

Girl: "Not at all. I was an undertaker's assistant once, and I'm used to sitting up with the dead!"

Philandering wife (to salesman hubby): "Darling, I always worry when you're away from me."

Hubby: "But, angel, I'll be back before you know it."

Wife: "That's what worries me."

He: "They say that love is a disease."

She: "Aw, you make me sick."

Maid: "Thank heaven that my husband has finally stopped biting his nails."

Chauffeur: "Lost the habit, eh?"

Maid: "Not at all. Lost his teeth."

"I'm an iron man."

"Well, why come to my door and brag about yourself?"

"I'm not bragging about myself, lady. I want to sell you an electric iron."

Cutie: "You're just like the horizon."

Guy: "How's that?"

Girl: "You never get any closer."

People who have nightmares shouldn't keep a Colt under their pillow.

Co-ed (preparing for exam): "Tell me, does your history give you any trouble?"

Roommate (absently): "No, I don't think anyone around here has found out about it."

He: "Darling, your eyes are like stars."

She: "Always shining?"

He: "No, always winking."

Despite success stories the sad truth is that most men who start from scratch have to scratch for a living the rest of their lives.

"I'm a puzzle to my husband," said the daughter to her mother, who replied, "Yes, you're full of cross words."

BASKETBALL  
TOURNAMENT

## IN THE BULL PEN

With BULL BROWNE

The intra-mural tournament was certainly hot. The Delta Sigs deserve a lot of credit for the great come-back they made after losing the first game of the tourney to the Filthy Few. Then the defending Champions breezed through a few close calls to get to the finals. Yep, that faculty crew was red hot. The biggest disappointment was the Filthy Few getting eliminated, as this writer thought they would go to the finals of the tourney and meet the big bad faculty—headed by Dean Z. S. Henderson and Smith, B. L. The Filthy Few was without the services of their stellar forward and scoring demon—Hugh Hill. Most of the D. S. boys claim that the NYA boys (the good old NYA bunch) was the best team in the tourney. A few of the other teams might vouch for that. The Bugger Daggers cannot be left out when the roll of strong teams is called. They really had the faculty on the jump one day and stayed ahead until the last few minutes of the game.

The spring football squad really went into high gear last week when they went into the rough work. Two or three boys really come out of the "kinks" when this rough work started. Specs Clifton looked especially good hitting the ole blocking dummy the other day and should develop into a good ball player next year. This column unknowingly left out one of the players names in a list of the boys that were out for spring football this year. We left Jody Robinson out of the write-up, but we are of the opinion that Coach Smith won't be able to leave him off that regular line-up next fall. Jody is getting tougher and bigger as the days go along. According to one of the Douglas basketball players, who played against Jody in the line last fall—he was fairly tough last year.

Tennessee Wesleyan, of Athens, Tenn., won the Southeastern States' tourney at Cochran last week. They presented Wesleyan with two trophies instead of one at the end of the tourney. One was for basketball and the other was for winning the football championship in the fall. Two southeastern championships is not bad for a start for a new coach, as Wesleyan acquired a new coach the first of football season.

Baseball season is here again! As usual the college will have no official representation but, for the second straight year an independent team will be formed by the college boys. The team will open its season on April 1st against Georgia State Prison in Reidsville and will try to play about 25 games this year. All the boys that have played baseball before and who would want

## ACTUAL GAME TO END TRAINING

Squad Has Been Divided Into  
Blue and Red Teams  
For Battle.

The spring football squad really got down to hard practice last week as they donned the pads for the first time this spring. A football game is planned by Coach B. L. Smith on Saturday as the last practice of the spring. The squad is divided into two teams, the Reds and the Blues.

The Red squad is coached by Eli Hill, Buck Woodard, and Hack Wilson, and their squad is composed of: Hamil and Ramsey, ends; Dunn and Hurst, tackles; Robertson and Waters, guards; Hardwick, center; Johnson, Hamil, Clifton and Keenan, backs.

The Blue squad members are: Morrison, center; Humphreys and Buxton, guards; Brantley and Smith, tackles; Winn and Turner, ends; Patterson, Houston, Reeser and Hodges, backs. The coaches of the Blues are: Cope Ozier, Gus Carswell and Bull Browne.

Coach Smith will remain absolutely neutral in the contest and let the coaches he appointed take charge of the team. The two teams are pretty evenly divided. Hamil, Hamilton, Morrison, Brantley, Smith, Winn, Patterson and Hodges are the old men who will be back next year. Clifton, Keenan, Houston and Dunn are the new-comers who have been looking exceptionally well in practice.

Dear Dr. Destler and Classmembers:

We are having a grand time surveying this large town. Wish you all were with us. We find the people interesting, co-operative, fascinating. We made the trip down in nine minutes. Will see you at 2 o'clock Wednesday.

to play this year are urged to see Bull Browne before spring holidays.

A hot softball league is in prospect for the coming season—the boys are already practicing in front of Sanford Hall every day. If the softball has as much rivalry as the basketball tourney did a great season is in the offing. A new Champion is certain to be crowned as Jeff Stewart is not here to organize his "Gas House" gang.

## Gardner's Team Wins Mixed Volley- Ball Tournament

The mixed volleyball tournament came to a close with Kitty Gardner's team winning without the loss of a single game.

Bill Talbert's team came in second, losing only one game. The other teams in the tournament were those of Charlie Payne and Froggie Breen.

The players on the winning team were: Jim Wrinkle, Kitty Dubberly, Mr. McCormack, Miss Hogarth, Mary Ellen Battle, Hendry Bagley and George Donaldson.

## Unique Chapel Is Staged in Gym

Something unusual in the line of chapel programs occurred last Friday. The first unusual thing was that instead of being in the auditorium it was held in the Gymnasium. The second feature was especially unique: The program lasted only about thirty minutes and afterwards everybody was invited to come downstairs and dance.

The program was furnished by Miss Hammack's tap dancing class and Mrs. Bowen's folk dancing class. The Bachelors' waltz was presented again by special request.

## BIRD CLUB HAS MANY MEMBERS

The newly organized "Bird Club" now has thirty-five members. The club is somewhat unique in that it is open to both students and teachers, according to Alvin McLendon, an officer of the organization.

The club was formed after the lecture by Dr. R. J. H. DeLoach on "The Economic Importance of Birds" February 13th. Officers for the club are as follows: Jewel Vandiver, president; Ches Faircloth, vice-president; Frances Breen, secretary and treasurer. Alvin McLendon and Lucy Bunce were selected to serve with the other officers and the faculty advisors, Dr. DeLoach and Miss Malvina Trussell, as an executive or advisory board to the club. The last meeting of the club was held March 5th at Dr. DeLoach's bird sanctuary on Savannah avenue. The next meeting will be held at "Beechwood."

## DELTA SIGS ARE LEAGUE CHAMPS

Faculty Team Defeated 22-15  
In Hard Fought  
Game.

The Delta Sigma intra-mural basketball team became champions of the league after defeating the Faculty in a hard fought game Friday evening 22-15. The tournament was a double elimination affair and it would have been necessary for the Delta Sigma to have defeated the Faculty twice to have won had not the second game been forfeited. The game was a thriller from beginning to end and the score was tied several times before the final whistle blew.

The Faculty reached the finals undefeated, chalking up wins over the Dynamiters, Rent House, Filthy Few and Bugger Daggers. They were rated as the most powerful team in the league, largely due to the playing of Wrinkle.

The Delta Sigs lost their opening game to the Filthy Few, but hit the come-back trail to win three straight by narrow margins and entered the finals. They defeated the Filthy Few 17-16, the NYA 24-21 and the Bugger Daggers 26-24 in hotly contested games.

### Henry Ford Visits Campus Wednesday

Henry Ford was a visitor to our campus for a short stay last Wednesday through the courtesy of Dr. R. J. H. DeLoach, who has been an intimate friend with Mr. Ford for the past several years.

Mr. Ford expressed interest in the industrial arts program carried on here because of his own great factory schools. He was also interested in what was being done by the college in connection with farming. Dr. Marvin S. Pittman, who acted as host during the visit, was very much impressed with Mr. Ford's explanation of a new type of tractor being constructed by his company. It is possible that the new type tractor will be used on the college farm because of the need for more power.

### LOOKING AHEAD—

The South Georgia Teachers College student publication, the George-Anne, has the following objectives in mind to better itself in addition to those already being pursued:

1. To begin a "Quote" column.
2. To begin an "Exchange" column.
3. To have more pictures.
4. To install new ideas advocated at the Georgia Press convention.
5. To have more and dirtier dirt.
6. To have a new joke now and then.
7. To have more feature stories.
8. To have more "scoops."
9. To print more alumni news.
10. To install a political writer who will frankly discuss the past and future of potential candidates.
11. To have a student superlative contest. This feature is being omitted from the college annual.
12. To have a faculty popularity contest.

The policy of accepting all worthwhile contributions will be continued on an even wider scale. New objectives will be added continuously in an effort to keep the organ in step with liberal and progressive ideas.

### Herman Bray Is Consistent Winner In Title Contest

Herman Bray, sophomore, Oglethorpe, is a consistent winner in the Atlanta Journal Magazine Title Contest. Bray won two prizes in the last three Sundays (before yesterday).

Bray won first prize with his second attempt at being a contest expert. The title, if you remember, was "Strange Men Approach Bearing Bracelets." The fourth attempt, "A Court Order Is Needed," also won a prize. Herman stated that he had never been so surprized in his life to see his title (?) stretched across the page. Our hero decided to enter the contest when he saw a lady from his home town getting honorable mention. The Journal was very prompt in sending his contest money. Herman will continue his education with his share.
