I am now carrying the most complete line of goods in my line ever handled in any town of this size.

My Stock comprises every style, size and grade you possibly want.

My Goods have all been carefully selected by me at the markets and prices on Solid Gold goods are so low until it is surprising.

I have a few t-4. Ladies Gold Watches on hand which are going at a reduced price. Only a few of that kind left.

My Eye examinations are of the most scientific method. All consultations free.
