FERGUSON ELEMENTARY PBIS PROGRAM
But Wait!
Why should we “pay” kids for doing what they are expected to do??

- The focus is on TEACHING our students what we want them to do, instead of telling them what not to do.

- The intent is on TEACHING and acknowledging behaviors that we want to see.

- Eventually will not rely as heavily on tickets.

- Bottom line: increases time for instruction= everyone wins!

How is this system different from other school behavior programs?

- This system is focused on acknowledging students for consistent positive behavior.
- Teachers are acknowledged for noticing positive student behavior.
- Routines and language with respect to appropriate school behavior are consistent throughout the school.
- Students are recognized with Ferguson Mustang Incentives.

The three rules which we promote at school can also be applied to situations both inside and outside the school building. The following are a few examples:

Be Respectful

Classroom: Use positive language when responding to others.
Home: Follow directions the first time without argument.
Community: Be a kind and helpful neighbor.

Be Responsible

Classroom: Do your school work and turn it in.
Home: Help with housework.
Community: Keep the neighborhood clean.

Be a Role Model

School: Have school supplies needed at the start of each class.
Home: Get your backpack ready for school the night before.
Community: Know safety rules.

Positive Behavioral Interventions and Supports

Angelique Mitchell
El personal de Ferguson elemental se enfoca en trabajar con los estudiantes y sus familias para promover comportamientos positivos en toda la escuela. Tenemos tres reglas de la escuela que van a ser reforzados diariamente.

**SER RESPETUOSO**

**SER RESPONSABLE**

**SER UN MODELO**

Cuando las reglas de la escuela son seguidas, los estudiantes tienen la oportunidad de ser reconocido por sus esfuerzos por recibir Mustang entradas o participando en nuestras celebraciones Mustang. Cuando las reglas de la escuela no se respetan, se producen consecuencias concretas basadas en el comportamiento.

Como un miembro de la Familia Ferguson por favor revise esta información con su estudiante.

**Mustang Tickets**

Los estudiantes que están siguiendo las reglas de la escuela en varias ubicaciones de la escuela pueden ganar, Entradas Mustangs.

Las entradas serán dadas por el personal escolar a los estudiantes para reconocer su comportamiento positivo.

Una vez que se reciben los billetes, son guardados por el estudiante para cambiarlos por premios al final de la semana.

Todo el personal escolar y los conductores de autobuses estarán mirando los estudiantes que presentan ser respetuoso y modelos.

**Consecuencias de comportamiento inapropiado**

Los estudiantes han aprendido las normas escolares en el aula y fuera del aula. Si un estudiante no sigue una de las tres reglas de la escuela, se sigue el siguiente procedimiento:

1. Advertencia verbal Individual con aviso acerca de los comportamientos apropiados.
2. Tiempo de castigo en el aula
3. Tiempo de castigo en otro lugar
4. Si el comportamiento aún no mejora, los padres serán notificados.
5. Participación Administración

*Ciertas acciones requieren la participación administrativa inmediatas como, pelea, utilizando lenguaje inapropiado, la posesión de contrabando o armas, hostigamiento y amenazas.
What happens when students have difficulty displaying the appropriate character traits?

- Students will first be given a verbal warning.
- The next step could result in time out in the classroom and note in the agenda, passport, or behavior calendar.
- The third step could be time out in another classroom and note in their agenda, passport, or behavior calendar.
- The fourth step is a phone call home.
- The last step is administrative referral.

*Steps can be skipped depending on the severity of the infraction.*
PBIS Discipline Flow Chart

Bus Drive Training

- Hold PBIS bus drive training in September of each year.

- Bus Drives hand out yellow PBIS tickets to students for being respectful, responsible, and role models on the bus.

- Each Bus has a PBIS bus matrix posted on the bus.
Year to Year Comparison Bus Referrals

# bus referrals

- 2011-2012: 45
- 2012-2013: 18
- 2013-2014: 13
- 2014-2015: 14
Mustang Manners on the Bus

Be Respectful
  - Soft voices

Be Responsible
  - Book bag on your lap
  - Sit in your assigned seat
  - Keep hands, feet, and objects to yourself

Be a Role Model
  - Listen to the bus driver
Choice Theory

- Choice Theory states: “All we do is behave. Almost all behavior is chosen and we are driven by our genes to satisfy five basic needs which are survival, love and belonging, power, freedom and fun” (Glasser, 1988).
How can you give your students a sense of love and belonging?

- building community
- designating jobs within the classroom
- fostering relationships with parents and students
- allowing students to take ownership in their learning
- being clear and consistent with expectations
Avoid the Power Struggle and Give them Power

- provide opportunities for choice in academic subjects
- allow students time to reflect and explain their mistakes
- have them call home or write the note home to a guardian explaining the situation
- avoid embarrassing students (talk one on one)
- establish mutual respect and trust
How can you use Class Dojo to support PBIS in your classroom?

https://padlet.com/courtney_mulkey/hqi15982p07

- *Keep track of the number of times you specifically praise a child for doing well
- (think 5!)
- *Parents can stay updated on daily behaviors through an automated text
- *Communicate with parents through texting without giving out your personal information
- *Students can monitor their own behaviors (anonymously through pseudonyms) without the embarrassment of “clip up or clip down” They have the power!
How can you use Class Dojo to support PBIS in your classroom?

https://padlet.com/courtney_mulkey/hqi15982p07

- Decrease transition time by setting timers, then awarding students if they beat the clock
- Lower cafeteria volume by having class competitions
- “Share” our classes with other teachers so that they can award points to students...providing consistency
- Align the Class Dojo target behaviors to the specific verbiage in our matrix
Praise is....

- “Good job!!”

- Focused on external control.

- Focused on external evaluation.

- Rewarding others ONLY for well-done, completed tasks.

- Competitive.
Encouragement is focused on....

- the student’s ability to manage life constructively.
- Internal evaluation
- Effort and improvement
- Assets, contributions, and appreciation.
Encouragement is different than praise because praise says...

- “You are worthwhile only when you do well.”
- “I’m proud of you so don’t you dare let me down.”
- “Your positive self image depends on my evaluation or judgement.”
6 Ways to Encourage Our Students

- Accept students as they are.
- Give students confidence. Help them be creative.
- Accentuate the positive.
- Respect yourself and them.
- Help students help themselves. Reduce competition.
- Involve students in helping each other.
Some Words of Encouragement

- “You figured it out!”
- “You have improved in…”
- “We like (enjoy) you, but we don’t like this (specific) behavior:”
- “You can help me (us, others) by…”
- “Let’s try it together.”
- “So you made a mistake; what can you learn from this?”
- “You would like us to think you can’t do it, but we think you can.”
How can we change these praise statements into encouragers?

- “You got an A!”
- “I love that picture you painted.”
- “You won!”
- “You got the highest grade in the class.”
- “I’m so proud of the way you performed in the show.”
