NOTABLE SPEAKERS TO ATTEND COMMENCEMENT EXERCISES

Baccalaureate Sermon By Dr. Trimmer; Ralph McGill To Give Graduation Address

Plans for commencement exercises were under way this morning at assembly when the senior class conducted the exercises with speeches by members of the class. Caps and gowns were worn by all seniors and announcements were made concerning the activities of the week through next Monday.

The baccalaureate sermon will be presented in the college auditorium Sunday morning by Rev. J. Maurice Trimmer, D. D., pastor of the First Baptist church, of Macon. Ralph McGill, editor of the Atlanta Constitution, will deliver the commencement address on Monday, May 31, at which time Chancellor S. V. Sanford, of the University System, will confer the degrees.

Other events of the week will be senior examinations on Thursday and Friday, a senior supper Saturday night at Dr. Pittman's home, and the annual "Lantern Walk" Sunday night. Dr. Sanford will address a luncheon meeting of all Statesboro civic clubs Monday at noon in the college dining hall.

At Sunday's baccalaureate sermon special music will be presented by the Woman's Glee Club and duets by Misses Pruella Cromartie and Marjorie Parkerson. Sunday afternoon the annual spring recital will be given. Monday morning special music will be presented by Miss Pruella Cromartie and William Smith. The introductory address will be given by President Marvin S. Pittman; presentation of awards by Fielding Russell, and presentation of honor students by Miss Viola Perry.

The honor students according to leadership and scholarship as picked by the faculty are as follows: Scholarship, Sue Breen, Abbie Mann, Edwena Parrish, Richard Starr and Jack Wynn; leadership - service, Abbie Mann, Harold Waters and Uhlma Wynn Zittrouer.

Students Praised For Co-Operation

Since it is my duty to sponsor several student activities on the campus including the two student publications and also my duty to handle the public relations program of the college, I wish to use this space in the last issue of the 1942-43 George-Anne to thank the entire student body for carrying on during the 1942-43 school year.

We started in September under several handicaps. We had a small enrollment and naturally the student

DR. MAURICE TRIMMER

SUMMER SESSION BEGINS JUNE 7

Registration for the 1943 summer session, first term, will be held Monday, June 7, and classes will begin Tuesday, June 8.

The first term of the summer session will run from June 7 to July 13, and the second term will begin July 14 and continue through August 20.

Special features to be stressed at the summer session will be a course in administration of the small high school including the Victory Corps; a short course embracing typing and shorthand; special courses will be of help to young men and young women when they are called into service; courses for superintendents and principals who are interested in promoting industrial arts in their schools.

The usual emphasis on state curriculum and regular college courses in all departments will also be offered and the summer sessions chorus will be organized.

The Elementary Laboratory School will be operated for observation and practice.

RALPH MCGILL

1943 Reflector Delivery Delayed

Word was received from Foote & Davies, publishers of the college annual, The Reflector, that there is a possibility that the books may not be delivered before graduation, Monday, May 31, though every effort would be made to get the books out before students leave for their homes.

The 1943 book, from all indications, will be one of the best yearbooks yet published by the college. Miss Abbie Mann, editor, and Harold Waters, business manager, have done a good job, according to the faculty sponsor. The staff was in no way to blame for the delay in the delivery of the books. Labor conditions in the publishing plant delayed the delivery of all college annuals and most of the high school annuals. It was explained that the University of Georgia book would not be delivered until June 15. Since the Teachers College annual is smaller than some of the larger

CHANCELLOR S. V. SANFORD

SANFORD SPEAKS HERE NEXT WEEK

To Deliver Degrees To Graduates; Address Clubs At College Luncheon

Chancellor S. V. Sanford, of the University of Georgia, will speak twice here next week while attending the commencement exercises of the college.

The chancellor will talk at the First Baptist church in Statesboro Sunday evening at a union service. His subject will be "Is Jesus More Than Man?" At the graduating exercises Monday morning in the college auditorium, Dr. Sanford will confer the B.S. degree. Following the graduation exercises, the chancellor will address a luncheon meeting in the college dining hall of all the civic club members in Statesboro.

Dr. Sanford is chancellor of the University System of Georgia and has been connected with the educational institutions for over thirty years. His contributions toward the growth of education in the state are widely recognized throughout the south.

Spring Recital Sunday Afternoon

The annual spring recital of the Division of Music, featuring students of Mrs. E. L. Barnes and Ronald J. Neil, will be given Sunday afternoon at 4:00 o'clock in the college auditorium.

The following program has been arranged by the division:

- From a Chinese Temple Garden (Ketelby)—Esther Lee Barnes, Mrs. Barnes.
- O Isis and Osiris (Magic Flute—Mozart)—Harold Waters.
- Phosphorescence (Loewe)—Bruce Carruth.
- The Old Tar's Yarn (Sailor Dance—Mueller)—Sara Jo Wald.
- Where E'er You Walk (Handel)—Bernard Morris.
- Hunting Song; Tweedle Dum and Tweedle Dee (Williams-Turner)—Fay Hodges, Mrs. Barnes.
- The Two Grenadiers (Schumann)—Richard Starr.
- The Cotton Pickers (Williams)—Fielding Russell Jr.
- Silent As Night (Bohm)—Marjorie Parkerson.
- Lord God of Abraham (Elijah—Mendelssohn)—Jack Averitt.
- Wedding March (Mendelssohn)—Lowell Thomas.
- Sing, Smile, Slumber (Gounod)—Pruella Cromartie.
- Ah, Moon of My Delight (In a Persian Garden—Lehmann)—William Smith.
- Allegro (Concerto in G. Minor—Mendelssohn)—Uhlma Wynn Zittrouer.

inals of Tattnell's state pen he received no answer until early morning when he met with a volley of birdshot which he caught in the rear of one of the farmer's barns.

Tillman was brought in to the hospital where he staged an uncomfortable but rapid recovery.

Wade Hampton Mysterious Figure of The Campus

Six years ago there descended on this college a one-man creation of words that don't belong in anyone's vocabulary. Of course you can guess—yes, it is Wade Hampton.

He says what he pleases, does what he pleases, and composes his column for the George-Anne. Perhaps you would like to read a six-year diary of Wade Hampton's life at G.T.C. If any of this evidence is false, Wade Hampton, I shall be glad to give my most humble apology.

Has he registered? Ask Miss Perry and she will assure you that he has. In fact not only once but several times. He seems to have a dual personality.

Character? Well, that's different. Six years ago Wade Hampton descended on Sanford and Aunt Sophie. It seems that he had a tearing-up epidemic to start with, on second and third floors. Oh yes, I almost forgot. He had an accomplice to this misdeed. Ask any of the boys if they remember Zorro's terror. Most all of the lamp shades of Sanford still bear this traditional mark.

It seems funny that he doesn't have any absences chalked up against him. He is a sly thing and I don't mean shy. One problem I haven't solved is why he signs his column yours truly and not yores true-ly.

He must be an educated soul. Six years and hasn't graduated. Maybe we will lose him this June, but then his accomplice, Zorro, will probably take his place.

FLASH!! Aunt Sophie has just told me she had again found Zorro's mark but he hasn't "ridden" yet.

Who does he date? How often does he date? Gosh, I can imagine Wade Hampton being in love! I wonder what girl goes with him and doesn't know it. Well, all I can do is to challenge him to answer these questions in his column.

With all the PDQ he has raised, how does he rate not being shipped? If he had been shipped does he still send his column by correspondence? I think not.

Who is his roommate? Confidentially, at present I don't think he has

one. I wonder if his old roommate found what a person he was rooming with and kicked him out

His scholastic ability. Well, his long period of study here only means he loves the old school so much that he hates to leave it. He is such a sensitive little fellow. He only climbs water tanks and then proceeds to drop a bag of flour on the head of one of our respected faculty members.

I wonder how many subjects he is taking this quarter? I hope he is taking four in English. If he has had English here I know that his professor simply counted him as the one impossible. Wade Hampton, please don't misunderstand my intentions. I am merely trying to give the devil his dues.

Poor fellow! After all he does do his best and he is very patriotic. Maybe he is trying to undo all the wrongs he has committed. But he says he doesn't owe anyone any apology. At least this is what he implies. I hope his identity doesn't stay a secret for six more years, but at the rate he is going he will outlast the institution. I wonder why Talmadge didn't get rid of him. Maybe he didn't know who he was. Well!!! Example.

Student Receives Unwelcome Birdshot

Two loads of birdshot was the answer that one student received several weeks ago when he asked the way home from fraternity initiation. It happened when there were several convicts on the loose from the state pen and the initiate was suspected of having a \$500 reward posted on his head.

The student's name is Harold Tillman and he had just undergone the rather questionable pleasures of initiation into the secret orders of one of the fraternities of the campus. He walked up to a farmer's house about fifteen miles from the college and asked directions. Being suspected as one of the gun-toting crim-

Examination Schedule

11:30- 1:30	2:30 classes
2:30- 4:30	3:30 classes

Why A College Degree?

Graduation in 1943 is a shaky proposition for the majority of seniors. Times have changed and the world that they have prepared themselves is not ready to receive them. Instead of a job in their chosen profession many senior will find themselves entering a new and different field—the service of their country during wartime. Additional courses may be required to prepare the seniors for their different occupation. These courses must be completed quickly but expediently.

Past training while in college will prove invaluable in assisting the senior to become acquainted with this new field. Some will find that their training has already prepared them for certain branches of war work. No matter whether their duties shall be required in active service or on the home front, their four years will stand them in good stead. They will be better prepared to serve their country, having forged ahead and obtained their degree.

America is already planning for post-war activities and one of the best preparations is that of a college education. No matter just how quickly and effectively this education can be used towards assuring individual dreams for the future, it is an invaluable aim for the present generation.

The Y. M. C. A. and You

By MARVIN S. PROSSER

As this current school year draws to a close, may we pause just for a moment to sum up the year's progresses.

Surely no one course could be more important than our religious education. Y. M. C. A. meetings will live on in the camps and naval schools wherever we may be sent to serve. There may be more battles to win but having learned the Christian way of doing things through Y. M. C. A., it will be easier to carry on during these perilous times. It is the sincere hope and prayer of the cabinet that each man going into his branch of service may through our evenings of worship together not forget the Christian ideals that we have upheld and tried to make a part of our life at Teachers College. May the life of Christian fellowship live in your work wherever you may be called.

They're Banking on Us

(Ed. Note: The above cartoon was drawn for the students by Lea Richmond of Emory University, and is printed with full credit and appreciation to the cartoonist and The Emory Wheel.)

Mother of Mercy

Far off on an island in the Aleutian area a man lies wounded and starved after ten days without food on a life raft. His plane was shot from under him in an attack upon Jap zeros protecting a small convoy. He had become lost from the formation in the dogfight that ensued. He had seen two of his buddies shot down and he had ridden the dog that did it to a watery grave. He had not seen the zero that dove at him from out of the clouds until too late and the first volley of shot had disabled his ship. He then spent miserable days and nights alone on a friendless sea until the plane sighted him and brought him to an island.

The plane that sighted him was marked with the cross of mercy—the international sign of assistance—the Red Cross. In the plane emergency food supplies cared for his wounds and plasma from a blood bank back home gave him the needed strength to fight for life. This fight is being made every day by our boys and is meeting with success because the folks at home have done their best.

This week we celebrate the wonderful work of the Red Cross. On May 21, 1881, Clara Barton came forward with the symbol of mercy that is recognized around the world. We salute the Red Cross and all that it represents. At times of danger, flood, earthquake and disaster the Red Cross comes through with no partisan colors to the rescue. It is the noble work of this organization and the good will that supports it that is protecting every mother's son wherever he is facing danger in the many battle areas of the present global war.

If you, as a person that is now serving on the home front, haven't yet contributed your every effort in behalf of the Red Cross, do so today. Now is the time. Tomorrow may be too late. Needless lives are lost by procrastination. Do not let this happen where the American Red Cross is concerned. Clara Barton lives on today in a symbol of the crucifix. She is the international mother of mercy. Long may she live.

CAPITAL, from page 3

Provincial School of Fine Arts turned vegetarian for a month to save \$10,500 for the fund. At the Central Military Academy at Chungking, students raised money by observing a series of fast days.

Standards of "education" in Quisling's Norway are crumbling under the pressure from Hitler to get Norwegian students out of school and into the German forces. The puppet premier recently offered volunteers an "emergency examination" as a substitute for completing high school or university courses.

Dirt Column...

Through The Keyhole

By CHOLLY

Percy Harvey is a mean boy, so Mazie says, or did you hear of the phone call last Saturday night? We hope everything will be patched up and all right soon.

Freida and Dight seem to be doing O. K. Having radio selections dictated to them. Did the man have the right pronunciation of your last name, Freida?

We will soon have navy "widows." Navy orders are coming in every day to those navy boys. Tough luck.

Ray and Jean seem to have a permanent courtship. Did you notice that dreamy look on Jean's face while Ray was in Atlanta?

Due to the shortage of space the "bushology" grades will not be published this quarter. You will go by Miss Mae's desk and get your final grade.

Mr. Moye is bringing flowers to the college quite often. We wonder who will be the lady to follow Miss Groover's steps.

One more girl is added to the "Lockwood Follies." The latest being Miss LaRose Stevens. Mr. Lockwood has given her quite a bit of personal tutoring. This means that there will be no chance for the former girls of his "follies."

"Tot" seems to be affecting Denver's appetite, sleep, and mind. Denver, that is all right; that is just a true sign of love.

At last Rock succeeds—Miss Thomas being the first one to go on the second picnic with Rock. More power to you, Rock.

Byers seems to be taking over or looking out for Bill Brown's interest. Does he make a good substitute? Just ask Venice and she can tell.

Wells, why don't you give the girls a chance? You were asked out three times to supper, and still don't make contacts. You will have to do better than this if you want to qualify for the marines.

Vince is looking out for Cheshire's interest, or is he just working for Cheshire's interest alone? Pruella can give us some light on this.

Lewis Hinely has gotten jump on all the rest of the boys. He takes Miss Kicklighter home for inspection. He hasn't given us the verdict or maybe it hasn't arrived from Springfield yet.

Joe seems to be starting from the top of the ladder down. Since the high school dance Hattie seems to thing something is wrong. Joe, did the high school belles get your number?

Who is the handsome we see Miss Thomas walking around the campus with lately? Maybe she will be joining the WAACS instead of the marines now.

Coach Smith was seen all dressed up the other day going on a long trip. We wonder if this will bring back ole Counsella days.

We know that "Hutch" and Stanfield are bathing beauties but why can't they wait until after study hours to get in the vocals too?

Letter To The Editor

Dear Editor:

It appears to me that the make-believe dreamland of T. C. campus as put before newcomers should be made so as to function. The quality of any product is expected to be at least up to the advertisement given it in advance. The students are not kicking on what we have, but if these things are talked about and advertised to newcomers, why not have them on T. C. campus?

The so-called student government with such limited powers find it almost impossible to function. The acts are all right as long as they met to the ideas of the set rules of the administration. Why not let democracy prevail at T. C. or at least give a chance to work through the ideas of the students rather than a few and limited group of faculty members who have outlived their enjoyment of college life.

The varied social activities that are so widely advertised is given little chance to function on T. C. campus. As long as it is doing fine work for the college it is praised, but if at any time it turns to the enjoyment of the student and tries to render to the student enjoyment is is widely criticized by faculty members.

This being a small co-education college it could be made to be one of the best social function colleges known if only the student powers were not so limited. The parlors of the girls' dormitories are patrolled at regular intervals as a night watchman punching a time-clock. The benches are moved to the center of the campus as though the students were beasts, having to be watched by some trainer so as the little one wouldn't be injured. It has been said each faculty member has been given orders to watch each couple and give them a good moral talk if they are seem showing any affection to each other. This situation could be cleared up if only a small bit of trust would be put into the students. After all this is a state co-education school and not a reform school.

The radios advertised in each of the dormitories have been out of order for quite awhile and a small repair job would aid much to the enjoyment of the students. The educational programs would aid much to our education while we are surrounded by a learning situation and doing our work in education lines.

The well planned physical education program should be put into practice rather than theory. The enjoyable parties given in the gymnasium have been very few, both of which have been widely advertised. The students look forward to these and are eager to take part if only interest were shown by the leaders of these programs.

This article is not written in the views of a radical—it is to merely set forth the situation as seen by students at T. C. I sincerely hope this will not cause ill feeling of any faculty member but will merely open their eyes and cause them to see the situation as the student sees it.

Sincerely yours,
LINDSEY PENNINGTON.

STUDENTS, from page 1

activity funds were not sufficient to assure the publication regularly of the George-Anne and to assure the publication of the Reflector. Several issues of the paper were skipped and the students registered few complaints as they realized that the cost for publishing the paper for 150 students was almost as great as publishing for 500 students, though the income fees were considerably less. The students were called upon to pay for their pictures in the annual and they co-operated without a murmur, again realizing that there was very little money with which to publish a yearbook.

Despite the setbacks brought on by the war and other conditions, we have had a good year. There has been good spirit and those students who have worked with me have measured up on every occasion. I am sure sponsors of other student activities will join me in saying "Thanks" for helping Teachers College start back to the top.

ROBERT DONALDSON,
Director of Public Relations.

Bachelors' Variety Program Presented Thursday Night

The Bachelors Club presented their annual variety show Thursday night in the college auditorium. The program brought forth many laughs and was declared a huge success. The program as presented by the club this year departed slightly from the performances of the past years. This was done because of fewer students appearing on the program.

Songs by Misses Pruella Cromartie and Marjorie Parkerson and Richard Starr were the vocal highlights of the show. Marion Carpenter's "Dream Girls" Band and Boys' Dance Band gave forth with some jive during the program.

Three short skits plus some activities in the audience, prepared the audience for the feature of the evening which was the annual minstrel. This part of the show had the laughs galore and every one in a happy mood.

The guest artist of the show was "Doc" Boyd, featuring his sensational dancing. All during the program peanuts and popcorn was sold by peanut vendors. The show was up to the high standards of shows presented in the past, even though the club was handicapped by the lack of men to participate.

The receipts of this show went into a fund known as the Bachelors Fellowship Fund. This fund can be used by any member to do post-graduate work. It is increased each year by this show. The fund is expected to bring great return to the products of T. C.

The most interesting part of the variety presentation was the 1943 Victory award contest. The announcement for the contest was given by Jimmy Gunter, master of ceremonies, and auctioning was accomplished by Joe Feaster.

Bottles of beer, a fifty-pound cake of ice, sofa pillows and glassware were presented as prizes to the participants in the audience.

At the conclusion of the program,

GEORGE MULLING,
of Baxley, Ga.

George Mulling, of the senior class, received his B.S. in Education, majoring in Industrial Arts, and minoring in Business. He has been a member of the Iota Pi Nu fraternity 2, 3, 4, and president 4. Bachelors Club 3, 4. Secretary 4. Student Council 3, 4. Who's Who 4. George is a transfer from North Georgia College and has made a splendid record at T. C.

Harold Waters, president of the Bachelors Club expressed appreciation on behalf of the organization for the large attendance and fine response.

Members of the minstrel cast included Harold Pearman, Denver Lanier, Joe Feaster, Harry Robertson, Dekle Banks, Harold Waters and Jimmy Gunter.

June Graduates Are Listed By Registrar's Office

A list of the June graduates, along with their degrees, majors and minors has been released from the registrar's office. The list includes thirty seniors and is as follows:

Dorothy Berry, secondary, history, English; Dorsey Blalock, secondary, social science, history; Frusanna Sneed Booth, elementary Durwood Brannon, secondary, history, mathematics; Esther Cato, elementary; Nriccissa Cox, elementary; Wayne Culbreth, secondary, gen. science; Charles T. Estes, secondary, industrial arts, history; Joe Feaster, secondary, industrial arts, physical education; Dot Fulcher, secondary, history, physical education; R. Herman Hartley, secondary, industrial arts, mathematics; Harold Herrington, secondary, general science Nettie McGehee, secondary, history, English; Abbie Mann, secondary, general science, physical science; George Mulling, secondary, industrial arts, business; Edwena Parrish, secondary, general science; Walter Parrish, secondary, industrial arts, mathematics; Harold Pearman, secondary, industrial arts, English; Mary Thomas Perry, secondary, history, speech; Nolan Purell, secondary, industrial arts, history; Tiny Ramsey, secondary, history, mathematics; Hargaret Raulerson, secondary, history, English; Harry Robertson, secondary, English, history; Thomas Robinson, secondary, general science; Reginald Rooks, secondary, industrial arts, mathematics; Carlton Stephens, secondary, general science, physical science; Harold Tillman, secondary, general science; Eliza Tippins, elementary; Harold Waters, secondary, music, physical science; Mary Akins Williams, elementary.

CAPITAL CAMPUS

(A.C.P.'s Correspondent reports from Washington)

Something To Come Back To Later On

Washington (ACP)—First concrete proposal to assure college students who interrupt their education to serve in the armed forces that they'll have help in resuming their education when the war's over is here.

Congressman Jerry Voorhis, of California, has dropped a bill into the legislative hopper that may do the trick.

Voorhis, one of the most distinguished of the young liberal voices in the house, believes congress has a particular duty to prepare for the future after victory is won. He is one of the first men in either chamber to make the recent National Resources Planning Board reports on social security policies a springboard for action.

In H.R. 757, one of three bills he introduced recently, Voorhis asks for and appropriation to the Veterans' Administration for educational grants to any person who serves six months or more in the armed forces.

The measure would provide grants of \$500 a year to help ex-service men to continue their schooling. As many as three successive annual grants could be made to one person. Those who hold honorable discharges for disability incurred in the line of duty would also be eligible.

"America will need to have these young men continue with their education and training when the war is over," Voorhis told the house. "This bill makes it possible for them to do so and establishes the equal right of those not able to finance such education with those who can. The justice of such measure will, I am sure, recommend itself to all."

Education Elsewhere

Taking a tuck in their appetites so their countrymen can eat, Chinese students at two schools in Chengtu have raised 35,000 Chinese dollars for the Honan famine relief fund, according to a Chungking radio report monitored by the Federal Communications Commission. Students at the

Just One Way . . .

By HARRY ROBERTSON

President Roosevelt is still seeking a name suitable for this World War II. May this columnist suggest the following names: International War, Great Global War, Universal War, Inter-Continental Conflict. It is certain that some will be given to glorify this war other than the Second World War. The First World War accomplished little but it was a unit within itself. The names are my original suggestions; what are yours?

Coach Smith has the tennis courts going so well now that he deserves his merit badge. . . . Elsewhere on this page is a letter from a good friend, Cpl. Sheldon Chapman from home. We appreciate the kind remarks that were made in his letter to "Just One Way." We blush with pride. . . . A week or two ago the classroom of Mr. Russell and Miss Jones has had a conspicuous beer mug sitting on the table. The question before the house: Whose mug?

War Sidelights: The merchant marine drove up to the filling station and said, "Hey Doc, how about some gas? I ain't got a ticket 'cause I been shipping." The attendant shook his head. "Listen, bud, I know the stuff's rationed but we've carried over a million gallons and thought nothing of it if we 'spilled' a hundred." "Sorry, son, but I got to have a ticket." . . . The boat was loaded with molasses when a torpedo caught her midships. "Abandon ship," was the call and over they went. It wasn't hard to swim under the water but when they came to the coated surface the sticky substance clogged their nostrils and seared their lungs.

Cinema Circle: Pictures worth seeing now are "Yankee Doodle Dandy," with James Cagney; Casablanca," with Humphrey Bogart and Ingrid Bergman; "Somewhere I'll Find You," with Clark Gable and Lana Turner; "The Moon and Six Pence," starring George Sanders, and "Now Voyager," with Paul Henreid and Bette Davis. You won't miss anything if you don't see "China."

..SOCIAL NEWS..

ABBIE MANN, Society Editor

Spring Formal Is Held By Iota Pi Nu

The annual Iota Pi Nu spring formal was held last Saturday night from eight o'clock until twelve o'clock at the Statesboro Woman's Club.

A night club theme helped make it the top social event of the year for the fraternity. Tables for four were set against the walls of greenery with colors decorating the ceiling. Spotlights were used effectively throughout the room.

The lead-out ended through a huge arch in the form of our fraternity shield.

During intermission we were served a delicious cold plate, coupled with an entertaining program. Punch was served throughout the evening.

Those couples enjoying dancing to Marion Carpenter's orchestra were George Mulling and Esther Lee Barnse, Harold Herring and Jean Hendrix, Hargaret Raulerson and Margaret Raulerson, Harold Waters and Kathryn Joyner, Vance Thigpen and Pruella Cromartie, Buddy Barnes and Inez Stephens, Dekle Banks and Betty Bird Foy, Palmer Edenfield and Ruby Crouse, Parrish Blitch and Trixie Martin, Coy E. DeLoach and Sue Breen, John Darley and Jane Bateman, Joe Feaster and Hattie Swann, Lindsey Pennington and Margaret Bunn, Hubert Well and Fain Thomas, Harold Tillman and Frances Groover, John Ford Mays and Harold English.

James Harold Tillman, Glennville, is the newest member of the fraternity. He exchanged his pledge pin for the fraternity shield at the last meeting. It has been said that Harold is a charter member of the "birdshot" club.

Tuesday night at our last regular meeting for this year, Dot Remington will act as hostess to the club.

The Iota Pi Nu fraternity extends to the Delta Sigma, the Bugger Dagger Club, the Bachelors Club, the "X" Club and all the sororities best wishes and success in the future.

And with this, the last issue of the George-Anne for this year, we leave behind us capable hands to guide the fraternity. And say "farewell."

Remember the rhyme about four and twenty blackbirds baked in a pie? Ah, but that was before the days of rationing.

Bugger Daggers Elect Officers

The Bugger Dagger club held its weekly meeting in Sanford Lounge on Wednesday night, May 19. The election of officers for the fall term were held. Those elected were: Lewis Hinely, president; "Red" Prosser, vice-president; Max Lockwood, secretary-treasurer; C. E. DeLoach, sergeant-at-arms.

The members of the club enjoyed a picnic at Akins pond on Saturday, May 15. The afternoon of fun included fishing, boating, hiking, eating, courting, etc.

Everyone regrets that Dorsey Blacklock is ill at his home in Waycross.

The club takes pride in the fact that it has raised enough money among the members to buy a war bond. This was one of the main aims of the club for this quarter.

P. G. EDENFIELD, Sec.

Plans Supper Delta Lambda Delta

The D.L.D.'s held their weekly meeting Tuesday night in Pruella and Tag's room. We are going to have a dinner party when one of our members' "ship" (O'Neal) comes sailing in about two weeks.

We are very proud of our new shield which has recently been finished and we feel that it's one of our wisest investments for the future.

The D.L.D. sorority was represented one hundred per cent Saturday night at the Pan-Hellenic dance and a good time was had by all.

MARGARET BUNN, Reporter.

Lambda Theta Chi Enjoys Banquet

Miss Bertha Freeman, our sponsor, entertained with a formal dinner at the Jaeckel Hotel Tuesday night, May 4. After dinner we went to the show. The L.T.C.'s and their dates were Uhlma Wynn Zittrouer and Pete Wolfe, Helen Thigpen and Thomas Harrell, Mazie Reynolds and James Harvey, Virginia Gilder and Hubert Wells. Others present were Miss Billie Opie and Miss Freeman. We really had a swell time.

The regular weekly meeting was held Tuesday night. Mazie Reynolds was hostess.

HELEN THIGPEN.

Delta Sigma News

The fraternity enjoyed its annual banquet and dance Saturday night at the Rushing Hotel, preceded by a picnic Saturday afternoon at Jones pond. The banquet and dance was full formal dress in black and white. During the banquet Thomas Harrell formally took over the position as president of the fraternity for the coming year.

The members and their dates for the picnic, banquet and dance were as follows: Harry Robertson and Nellie Kate Newton, Harold Pearman and Margie Parkerson, Bill Byers and Venice Clifton, Thomas Harrell and Helen Thigpen, Ray Lanier and Jean Powell, Charles Brooks McAllister and Martha Evelyn Hodges, Pete Parrish and Catherine Rowse, Dight Olliff and Leila Wyatt, Frank Morrison and Jack Parker.

We were honored by having several of the old members back to be with us for the banquet and dance. The annual banquet and dance is an occasion that every Delta Sigma looks forward to attending and is always enjoyed by all.

Music Department Presents Recital

The Georgia Teachers College Department of Music presents Miss Uhlma Wynn Zittrouer, pupil of Mrs. E. L. Barnes, in her senior piano recital on Thursday evening, May 27, 8:30 p. m., in the college auditorium. The program consisted of music from the classical, romantic and modern periods.

Paul Robertson at Bainbridge Field

Bainbridge, Ga., May 22—Second Lieutenant Paul Berry Robertson, Brooklet, Ga., is stationed at the Bainbridge Army Air Field.

Lt. Robertson attended Georgia Teachers College, Statesboro, Ga., and George Peabody College, Nashville, Tenn. He was on the football, baseball and basketball teams and is a member of the Iota Pi Nu fraternity. Before entering the Air Corps he was a teacher of physical education.

"X" Club News

Since the George-Anne last went to press, the "X" club met several times (for full particulars see Margaret Strickland, secretary, who doesn't keep the minutes). At one of these meetings the members decided to meet in the Red Cross room on alternate Monday meeting nights. So the next Monday night a majority of the members, plus one auxiliary, went down and folded bandages until curfew.

At another meeting, plans for the club's spring social event was completed—and completely changed. It was decided not to invite former members and to invite dates, there still being some men left on the campus. The Thursday night when "In Which We Serve" was showing at the Georgia, the members, pledges and dates dined at Pearson's Cafe and then went to the show.

The members of the club were entertained with a theatre party by Dot Garner, retiring president. "Casablanca" was the picture, and it was thoroughly enjoyed.

On Monday evening, May 17, the club met again. A committee composed of the old officers presented nominations for new officers. These nominations were accepted by the club, and Beth Stanfield was elected president; Fay Jones, vice-president; Ida Lee Moseley, secretary. New pledges include Elaine Herring, Dot Rawling, Adrian Callahan, Adel Calloway and Alma Cato. Margaret Strickland and Beth Stanfield forgot they were to serve. Wednesday the club met immediately after supper, with Misses Strickland and Stanfield serving.

REFLECTOR, from page 1

colleges, there is yet hope that the books may be delivered before students leave for home. The publisher has been furnished with a home address mailing list of the students and the books will be mailed out as soon as they come from the press, if not given out on the campus before May 31.

The above is a picture of Hiram "Pat" Patterson, of Alamo, Ga., a former student of Georgia Teachers College and a lieutenant in the Army Air Corps, who was killed in flight over England. While "Pat" was a student here he was a member of the Delta Sigma fraternity. He was stationed in Tampa, Fla., before going across.

Wade Hampton Says—

Shore is hard to believe that this college year is about over. Yessir, after next week there will be nothing left but the shouting as far as the seniors are concerned. Sum of the students will go home, sum to work, and a large sum will go into active service.

Hit pears to me that we should dedicate this column to the last mentioned group. Them fellars represent three groups. Fust, the men that selective service has deferred until June; second, the men that will be called in June shortly after, and third, the seniors who go into reserve officer training. Of course we can't dedicate the column to them without thinking earnestly of those who came before.

Yep, from all that we can see, Sherman didn't make no mistake, but we got it, so we've got to fight. Them on the battlefronts are doing there part. Them going into the service are doing there's. We home folks is got to be sartin we is doing ours.

I'll be a'leaving you all now for the time being. I'll see you again when the next George-Anne comes out in September.

Solong,
WADE HAMPTON.
