MyNews for December 17, 2018

Former Sudanese 'Lost Boy' graduates from Georgia Southern with Doctor of Public Health

In 1987, at the age of nine, Georgia Southern graduate Abraham Deng Ater was one of an estimated group of 20,000 South Sudanese boys who trekked more than a thousand miles by foot to Ethiopia and Kenya to escape civil war. On Friday, he walked across the stage at Allen E. Paulson Stadium in Statesboro to earn a Doctor of Public Health in Public Health Leadership from the University's Jiann-Ping Hsu College of Public Health and honored his late father.
