Manuel Lima

**Information Design Specialist
& Award-winning Author**

Billed “a digital designer and information guru” by *New Scientist* magazine and the “man who turns data into art” by *WIRED* magazine, Manuel Lima is an award-winning designer and author.

His books *Visual Complexity: Mapping Patterns of Information* and *The Book of Trees: Visualizing Branches of Knowledge* explore the many creative ways designers, artists and historians are able to present complex information effectively—engaging audiences ranging from the everyday to
