Establishment of timeline for transition to new SRI

Fred Smith/Faculty Welfare Committee

5/21/2014

Motion:

The Faculty Welfare Committee will construct a time-line that will transition the University as quickly as possible to an SRI instrument that targets teaching effectiveness and provides formative assessment of teaching.

Rationale:

The Board of Regents requires that SRIs be administered and used for the instructors' improvement. It is in everyone's best interest that the current one be replaced as soon as feasible, and it is in everyone's best interest that the key dates in the replacement process be known.
