# Betty Foy Sanders Department of Art, Georgia Southern University

Dear <<First Name>>,

On behalf of everyone at the Betty Foy Sanders Department of Art (BFSDoArt), I'd like to thank you for taking time to speak with us during Georgia Southern University's Open House on Saturday, February 4 – it was a pleasure meeting you!

We are committed to offering quality undergraduate and graduate degree programs that prepare students to become professional artists, art historians and designers.

As an accredited member of the [National Association of Schools of Art and Design \(NASAD\)](#), we offer a comprehensive curriculum encompassing the practical, theoretical and historical aspects of the visual arts.

What does our NASAD accreditation mean for you? To be accredited, we must adhere to guidelines set by NASAD. That means we provide smaller class sizes, offer professional-grade equipment and our curriculum is top-notch – among other things.

We have a remarkable history at Georgia Southern and take great pride in the accomplishments of our alumni and in the promise of our current students. Perhaps even more so, we cherish the active, collaborative community both faculty and students create daily throughout the department as we pursue our professions with enthusiasm.

I wanted to take a moment to share some of the resources we have online.
