Schmuki writes chapter for ‘Creative Collaboration in Art Practice, Research, and Pedagogy’

October 2, 2018

Jeff Schmuki, Associate Professor of Art, has written a chapter for the now published text: *Creative Collaboration in Art Practice, Research, and Pedagogy* by Cambridge Scholars Press. His collaborative artwork also was chosen for the book’s cover.

The chapters in this text reflect current and nuanced discussions of the ways collaboration and participation meaningfully inform the production, study, and teaching of art with innovative and unexpected results. It illustrates how the shifting boundaries of power, position, and identity, between domains of knowledge and collaborative participants, result in new relationships.
