Increasing the Number of Undergraduates Who Succeed in STEM
2012-2013

Dedicated Faculty

STEM K-16 Learning Communities

STEM Institute on Teaching and Learning

The 2013 UGA STEM Institute will be held on Saturday, April 6 in Athens, Georgia. Presentations and working groups will focus on collaborating to seek external funding opportunities and improving STEM education.

Project FOCUS

136 college students present inquiry-based science lessons to K-8 students in 8 elementary and 2 middle schools in Clarke County.
