Mike Genevrino, veteran from Newark, New Jersey, was elected president of the senior class in the run-off election held Wednesday.

Here's A Challenge For Us

Will we attend school with Negroes? Is our racial prejudice too great for the abolishment of legal segregation? Had we rather do without education than sit in a classroom with a person with a darkened skin?

These are some of the questions which will face US, the young people of Georgia Teachers College, in the near future. I do not intend to try to answer these questions because they are not mine alone, but ours together.

Our governor stated a few nights ago in a speech that rather than abolish segregation in the Georgia schools, the schools would be abolished and each pupil would be subsidized individually to acquire his own education. If this were to happen, would the mass of the people of Georgia send their children to school or would they use the money as they saw fit, letting the education of our young people progress upward only if it were convenient? No one can say, but it is unlikely that not near so large a per cent of our population would attend school.

Will we let the mere factor of a color line and the fear of competition from the ambitious Negroes stop the progressiveness of our state? Do we appraise a person for what he is as an individual or do we place a curse upon him because he is a member of a minority? Is Georgia a democracy or is it a government which will use political force to suppress the rights of its citizens?

None of us can give a definite answer to any of these questions, but careful thought and sound reasoning will bring us to see what we believe. Problems will arise and must be solved, no matter what we decide, but the course which we take now may mean the success or failure of the great institution on which our government is based.

Shall we let race prejudice control our decision or shall we try to extend our great freedoms to all? The decision is ours; which road shall we take?

Well Represented At Church

On Sunday, October 11, Georgia Teachers College had one of the largest representations in the various churches that the school has ever known. With very few exceptions, every student who stayed on campus was in attendance at his respective church. The presence of many of the members of the faculty was encouraging to the students.

This back to church movement is one from which the college and the town will benefit. We'll see you in church next Sunday!

Almost A Ghost Town

This weekend the Sanford Hall Dance will be the main event and I dare say it will be a fine occasion, except for one factor. The majority of students won't be there. The past weekends this year have left T. C. practically a ghost town. The reason we give ourselves when we leave is, "There's nothing for us to do on weekends and we'd rather go home." This is a poor excuse, you know as well as I do, because the PEOPLE make the activities. If more students would stay on the weekends we could really have a big time. What do you think?

Next weekend let's all plan to stay and test it. I don't think either you or I will be disappointed.

East Hall Girls Like Privileges Found at G.T.C.

East Hall could properly be called "the melting pot of T. C." with girls who have transferred here from different colleges this year. These girls have been quick to recognize a good thing when they see it, just hear the praises they sing.

From Andrew College comes Mary Frances Cox, Emma Jean Brock, Jeanine English and Edna Faye Morgan. All of these are agreed that T.C.'s boys, the quarter system, and no Saturday classes are their favorites here.

Young Harris sends us Pat Blake, Marguerite Dye, and Peggy Marriot. Marguerite states, "I like the privacy on the campus at certain times." "The social life is wonderful," says Pat, and Peggy exclaims, "I like everything in general."

Ann Thrash and Virginia Ragsdale from West Georgia say their only complaint is "too many stairs."

From Gulf Park, Mississippi comes Bette Mooney who has this to say, "I like T. C. fine, but I can assure you that I'll have to study; it's much harder here than at Gulf Park."

Joan Letson from Montreat College, North Carolina, says happily, "This is the friendliest campus I've even been on."

"I love the extra privileges here," says Ann McHugh from Bessie Tift College.

Bobbie Hooks from Armstrong, and Farris Taylor, from Abraham Baldwin are particularly impressed with T. C.'s faculty.

"T. C. certainly lives up to its name of the friendly campus," says Harriet Woodward from Wesleyan Conservatory. Shirley Willis from Middle Georgia said, "Ditto!"

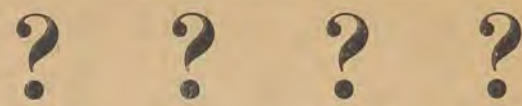

Annelle Dent from South Georgia has trouble in describing her feelings about T. C., so she just says, "I love it."

Looks like T. C. has "it." Pardon us, but our pride is showing and we love it.

Norton Selected For Personality Honors of Week

Phil Norton, a leader people like to follow, is this week's outstanding personality. Phil has served his class as president for the past two years, and has done an excellent job. Besides being active in his class, he has also been in several plays and has taken part in a great many clubs and organizations. Always willing, Phil is also very capable help when it comes to decorating for a dance, and cleaning up afterwards. In addition to being capable and willing, Phil is also one of the best liked boys on campus. Many thanks, Phil, for being what you are.

By CATHY HOLT

The staff of the George-Anne would like to have suggestions from the student body for a name for this column. A suggestion box will be available in the dining hall and the staff will decide which name is best suited for this column.

Hi-you all! We have some very interesting news for you this week. First—be sure to ask Rat, Martha Lacey about all those names on her leg. It seems she listed her "crushes" and the total was 15 (or was it 18). When I was in the dormitory the other afternoon I heard some strange sounds coming from Jane Seabolt and Marzee Richards' room. It sounded as if they were practicing for a voice lesson. But is was practice for a speech class. Um—(or maybe I should say a, e, i, o, oo)!

I heard through the grape vine that a certain person thinks it is good to get publicity whether it is good or bad—Well, the other day you ((Hollywood)) were heard to say, "When you're not near the one you love, love the one you're near!" It seems a new philosophy has invaded our campus.

Yours truly had great fun playing "grounders and fliers" Tuesday after supper. Also last Saturday during the football (?) game Joe Sullivan's knee collided with Mary Jo Jackson's mouth and she knows for sure how football players feel.

I noticed a visitor on campus last Tuesday and Wednesday. Larry Holt. He surely is looking mighty good. The news is

that he will study at the University of Miami and take a Mediterranean cruise. Compliments, U. S. Marines; Congratulations Larry!

I say—they really had swanky refreshments at the Elementary Education Club Tuesday afternoon. Also the members played grown-up games like "trick or treat." The treats were bubble gum, lolly pops, and tootsie rolls!

The other day at lunch, yours truly observed an odd sight. Bubbles took his tray right out the back door of the dining hall. Bubbles, why?

Shirley Willis had two cute visitors last weekend. They were from Middle Georgia College.

Flash! The facts have finally been uncovered! The Searce children DID NOT run over the chickens with the lawn mower.

Hmmm. Do I smell hamburger? Lewis Hall is having an outdoor supper Friday night at 5:30 for invited guests. And those hamburgers will be grilled!

Mary Flanders, what are you doing keeping a frog in your flower pot? Don't you know it's against the rules to have pets in the dormitory?

Another welcome sight on campus was Hollis Ray Powell. This weekend we are expecting a group of alumni to visit T. C. from Fort Jackson. It will be good to see some familiar faces again.

This week our bouquet of roses goes to Marie McKendree! She is one of the cutest and sweetest girls you'll ever find! That's all...

Picture Taking

The Reflector staff really gets down to work on November 2 when picture taking begins. Notices of appointments will be posted on the bulletin board in the Ad. Building. An important thing to remember is the two dollar sitting fee which must be paid when the picture is taken.

Proofs will be returned two days after pictures are made and if they are not picked by the owners, selections will be made by the staff. The proof chosen should be turned in as soon as possible after they are received.

Alpha Rho Tau

Alpha Rho Tau held its first meeting of the year Monday evening, October 12, 1953. Officers elected for the year were: president, Don King, vice-president, Marie McKendree; secretary, Nancy Womack; treasurer, Robert Hurst; reporter, Ann Ramsey. Sponsors are Miss Freida Gernant and Miss Roxie Remley.

The main business was election of officers, nominations for Who's Who, and discussion of several projects for the year. The first project for this year is the annual Starlight Club Dance, November 21, 1953.

Organ Guild

The Organ Guild met for the first time in the organ practice room of the music building last Thursday night. The officers of the club are as follows: dean, Faye Lunsford; secretary and treasurer, Johnny Denitto, sponsor, Mr. Jack Broucek. The other members are: Harriet Woodward, Nell Pirkle and

Mary Alice Jones.

Pins were ordered by each new member. The meeting ended with refreshments.

Vet's Corner

Dear Joe,

Things are going pretty well at camp considering that we have just reorganized the battalion, but you know me, I still have a few things to complain about.

Joe, you know how people always complain about officers, well on our base we gave everyone a chance to choose their own officers. You can guess what happened, yes only about 40 per cent of the troops voted. I don't see how they can complain in the future do you?

Another thing that will be nice to have pretty soon is a heater of some description in the PX and post office. Some of the troops like to go over to chew the fat for a while and it gets pretty cold sometimes, and while I am on the subject of the PX I think there is something that is lacking, especially in the winter, that is, they need to start serving coffee. I think it will pay for itself and certainly add to the campus. I can't imagine a base without coffee.

Well Joe, I will make like a pencil with a broken point and stop writing hoping to see you soon.

Your brother,
JOHN.

'Boogies' Win 8 - 6 Victory Over 'Hands'

The "Boogies" of Sammy pass receptions. He was given Lamb's team scratched out a close race by pass snagging J. M. Herringdine.

For Wednesday's game the scenes changed. "Fat" Allen's team was the better half of a 24 to 0 contest with Sammy Lamb's "Boogies."

The first half was even playing for both teams until the last three minutes when Herschel Evans passed to Kelly Powell for the initial T.D.

In the second half, Evans made an end run of 15 yards to put Allen ahead by a score of 12 to 0.

The next score came for Allen when Evans passed again, this time to Royce Mock for 60 yards.

The most outstanding play of the game, came when Mock intercepted a pass, and ran 70 yards for the final score of the game.

The score again, 24 to 0, "Fat" Allen over Sammy Lamb.

The outstanding players for Lamb's team were "Smiley" Gale and Bobby Brewster.

For "Fat" Allen, Herchel Evans and Royce Mock were the stars.

These intramural teams play every afternoon Monday thru Thursday, and as yet we haven't had enough students at the games to fill up one good dormitory room. You students here at T. C. have paid fees to cover the cost of this intramural program and I see no need in not taking a few minutes every afternoon to go down and pull for one of these teams. There are some mighty good games being played and your writer knows the boys would feel better if they had a few people to cheer for them. Get off your lower anatomy and come on down to the football field every afternoon. Make some of that "T. C. spirit" be known, or have most of you forgotten what that is too.

Tuesday afternoon saw another thriller which goes into the books 12 to 12. This game was between Mike Genevrino and "Fat" Allen. Both teams played a whale of a ball game; two long passes by each team determined the outcome. Howard Allen scored both touchdowns for "Fat's" team. Vaughn Dyer scored once for Mike and Earl Swicord scored the other. The game was close all the way. Allen was behind 12 to 6 going into the last 4 minutes of the game when they scored.

Player of the day for Monday was "Lover" Davis, the pass snagging end on "Lard's" team. "Lover" caught them from all angles and positions, even on his back. Joe Sullivan gave "Lover" a close race for the honors of the day.

Player of the day for Tuesday was Howard Allen who scored both touchdowns for "Fat's" team on two brilliant

Eight Lettermen, 17 Others Make Basketball Team

Monday afternoon marked opening day for basketball practice at G.T.C. A large number of boys showed up for practice and had a try for the team. Twenty-six were chosen to represent G.T.C. in this year's basketball season.

These men will be divided into two groups with the varsity having thirteen and the "B" team the remaining twelve. This is primarily for practice purposes. Only one team will practice in the afternoon and one at night with these teams alternating each day.

There are sixteen freshmen

on this year's team along with two transfer students and eight men who were here last year. Six of these are lettermen.

Coach J. B. Searce refrained from making any predictions but he did say that his new crew of freshmen looks as good or better than any freshman group before. He also had praise for all-star choice, Chester Webb. "Chester already looks better than he did at the end of last season," he stated.

BASKETBALL SQUAD DIVISION

Varsity squad: Don Avery, Douglas Corry, James Denny, David Harris, Bibby Phillips, Kenneth Everett, Chester Webb, Horace Belflower, Jim Harley, Artie Richards, Don Wallen, Wesley Ward, and Howard Warren.

"B" Squad: Albert Bacon, Jimmy Ford, Vondall Hall, Rodney Harville, Charles Litvane, Gene Lewis, Elwyn Coleman, Billy Findley, Roger Childs, Billy Hobbs, Clyde Little and Ferrell Sparks.

The W.R.A. volleyball tournament has begun. Monday afternoon two games were scheduled to be played but because of lack of players on the green and the white teams only one game was played.

Boost The Blood Drive Oct. 19; Teachers Quota Set At 50 Pints

Robert Lanier, chairman of the Bulloch County Chapter of the American Red Cross, announced this week that the October visit of the Regional Bloodmobile is scheduled for Monday, October 19.

The Bloodmobile will be at the Community Center in Memorial Park from one o'clock to seven o'clock and will be sponsored by the Dexter Allen Post 90 of the American Legion.

Transportation will be furnished for college students.

Mr. Lanier stated that this is the second visit of the Bloodmobile for the fiscal year, July, 1953—June, 1954. He pointed out that the quota for Bulloch county was set at 100 pints for each visit of the Bloodmobile during the year. On September 15, the first visit, only 27 pints were collected on the September quota, thus making the quota for the October visit 173 pints, to make up for the 73 pints shortage last month.

While contributing 27 pints of blood into the Regional Blood program Bulloch county has used, out of the Red Cross Blood Center, 190 pints.

On August 25th the coordinating committee of the Savannah Region Blood Center met in Savannah and the quotas for each county were set up and accepted. It was voted that if any county should fail to reach its quota that county would be dropped from the program and another county taken in its place.
