Loving Memories

Your gentle face and patient smile
With sadness we recall
You had a kindly word for each
And died beloved by all.

The voice is mute and stilled the heart
That loved us well and true,
Ah, bitter was the trial to part
From one so good as you.

You are not forgotten loved one
Nor will you ever be
As long as life and memories last
We will remember thee.

We miss you now, our hearts are sore,
As time goes by we miss you more
Your loving mile, your gentle face,
No one can fill your vacant place.
