A PLEA FOR METTER SCHOOLS

Mr. TRUMP S Sells People to

Look After Their Interests.

According to the latest reports, the school system of Metter is in a most critical condition. The schools are in great need of repairs and improvements, and the teachers are not able to carry on their duties properly. The funds for the schools are inadequate to meet the needs of the pupils.

For this reason, the school authorities are asking for the support of the community in providing the necessary funds for the maintenance and expansion of the schools. The support of the community is essential to ensure the continuation of education and the well-being of the children.

BELL PUT IN THE BEDROOM

The installation of a new bell in the bedroom is expected to improve the living conditions of the occupants. The bell is designed to provide a quiet and comfortable environment, ensuring peace and tranquility for those who reside in the apartment.

ARMY-NAVY MOUTS SUTTON

This event is a significant milestone for the community, as it marks the beginning of a new era in military training and preparation. The participants are encouraged to take advantage of this opportunity to develop their skills and contribute to the nation's defense.
